Dua E Kumayl 2020-12-28 Hazrat Khizr NOTE: Illustrated and designed to encourage the newer generation, especially those who find it difficult to read Arabic or any other language, this is a humble attempt at reaching out to people across the globe so that they can benefit from the blessings of such duas. It has both, Arabic as well as English text for the readers to benefit it from. About Dua e Kumayl: Kumayl Ibn Ziyad was a prominent companion of Amir al Muminin, Imam Ali Ibn Abi Talib (as.) and this sublime Dua was first heard from the beautiful, though anguished, voice of Imam Ali. According to Allama Majlisi, Kumayl had attended an assembly in the Mosque at Basra which was addressed by Imam Ali in which the night of the 15th of Shaban was mentioned. Imam Ali said- "Whosoever keeps awake in devoutness on this night (15th Shaban) and recites the Dua of Prophet Khizr, undoubtedly that person's supplication will be responded to and granted." When the assembly at the Mosque had dispersed, Kumayl called at the house where Imam Ali was staying, and requested him to inform him of Prophet Khizr's Dua. Imam Ali asked Kumayl to sit down, record and memorise the Dua which Imam Ali dictated to Kumayl. Imam Ali then advised Kumayl to recite this Dua on the eve of (i.e. evening preceding) every Friday, or once a month or at least once in every year so that, added Imam Ali, "Allah may protect thee from the evils of the enemies and the plots contrived by impostors. O' Kumayl! in consideration of thy companionship and understanding, I grant thee this honour of entrusting this Dua to thee.

On the Hermeneutics of the Light-Verse of the Qur`an 2004 Muḥammad ibn Ibrāhīm Ṣadr al-Dīn Shīrāzī This work marks the meeting point of 4

different traditions of the Qur'anic commentary: philosophical, Sufi, Shi'ite and theological. It also presents the author's metaphysical commentary and records the earlier commentaries on the Light Verse. It is significant from the point of view of both the history of Qur'anic commentary and Islamic Philosophy. The most outstanding characteristic of the book is that he explains the meaning of light by establishing its metaphysics, encompassing ontology, cosmology, epistemology, psychology and spiritual wayfaring.

Al-Kafi, Volume 3 Of 8 2015-02-18 Thiqatu al-Islam al-Kulayni Al-Kafi, Volume 3 of 8 (Fru' al-Kafi) - Compiled by Thiqatu al-Islam, Abu Ja'far Muhammad ibn Ya'qub al-Kulayni; English Translation by Shaykh Muhammad Sarwar. Al-Kafi - The first and foremost comprehensive book of Hadith of the Holy Prophet, with his Ahl al-Bayt as narrators, dealing with issues of theology and ethics, practical laws such as laws of taharat (cleanliness), laws of worship (prayer, zakat, fasting, hajj and jihad), laws of business, laws of family and social relations, and judicial laws.

Combat with the Self 2003 Muhammad ibn al-Hasan Hurr al-'Amili The true spirit of Islamic spiritual and ethical teachings is reflected in this inspiring collection of sayings from the Prophet Muhammad and the twelve Shia Imams. Humility, moderation, faith, and mercy are among the teachings conveyed in this careful, eloquent translation. The main theme of the book is the greater jihad, or fighting against one's own self. These sayings form the core of Islamic ideals of spiritual and moral perfection, and students of Islamic ethics are often advised to implement one saying per day from this book. The volume itself is an excerpt from the monumental seventeenth-century hadith collection Wasail al-Shiah, and it is the first selection from Wasail al-Shiah to have been translated into English. As such, it is an excellent primary source for any library on Shii hadith.

Al-Kafi 2012 Muhammad ibn Ya'qub Al-Kulayni The edition before you represents, in part, a synthesis of centuries of research and deliberation over the text of al-Kafi. More importantly, it represents a very modern effort to update this rich tradition of scholarship by addressing the needs, as we see them, of readers living in the 21st Century. In researching each tradition mentioned in this book, ITI's team has painstakingly combed through the fifteen extant commentaries and annotations on al-Kafi, all of which were written around the 17th Century. Where we found their literary analysis and exegesis to be sound and relevant to the modern reader, we simply narrated and, at most, refined their work. Where we found their work to be wanting, or more often, where they had not addressed issues that are now vital to our understanding, we endeavored to fill the void by writing our own original commentary. We believe this book to be a testament to the continued vibrancy and rigor of Islamic scholarship among the Shi'ah, the

followers of Prophet Muhammad and his twelve successors.

The History of al-Ṭabarī Vol. 1 1988-01-01 Abū Ja‘far Muḥammad ibn Jarīr al-Ṭabarī Volume I of the thirty-eight volume translation of Ṭabarī's great History begins with the creation of the world and ends with the time of Noah and the Flood. It not only brings a vast amount of speculation about the early history of mankind into sharp Muslim focus, but it also synchronizes ancient Iranian ideas about the prehistory of mankind with those inspired by the Qur'an and the Bible. The volume is thus an excellent guide to the cosmological views of many of Ṭabarī's contemporaries. The translator, Franz Rosenthal, one of the world's foremost scholars of Arabic, has also written an extensive introduction to the volume that presents all the facts known about Ṭabarī's personal and professional life. Professor Rosenthal's meticulous and original scholarship has yielded a valuable bibliography and chronology of Ṭabarī's writings, both those preserved in manuscript and those alluded to by other authors. The introduction and first volume of the translation of the History form a ground-breaking contribution to Islamic historiography in English and will prove to be an invaluable source of information for those who are interested in Middle Eastern history but are unable to read the basic works in Arabic.

The scale of wisdom 2008-01-12 M. Muhammadi Rayshahri A compendium of Shi'a 'a hadith that aims at traditions which are central to understanding the teachings of the Holy Qur'an and the ethical foundations of Islam. It features a collection of narrations from the honourable Prophet of Islam and the Twelve Imams (AS). The ten-volume edition, for which the present volume serves as an abridged edition, was first published in March 1983 in Arabic.

Sahifa E Sajjadiya 2020-12-21 Ali Ibn Hussain Zayn Al Abidin A celebrated collection of supplication and whispered prayers attributed to Imam Zain Al Abedin, the great grandson of Prophet Muhammad (S.A.W) and son of Imam Husayn Ibn Ali (A.S). Al Sahifa Al Sajjadiyya is an example of the highest form of eloquence. According to Shia narrations, the book is said to have been composed after the Battle of Karbala (680 AD) and describes the relationship between man and God. Shia tradition considers this book with great respect, ranking it behind the Quran and Ali's Nahj al-Balagha. Sahifa-e-Sajjadiya comprises of heart touching supplications given to us as a gift from our beloved Imam Ali Ibn Al Hussain. To be honest, I would read Sahifa-e-Sajjadia rarely; only if it would be mentioned to read a particular supplication in some salat to be read on special holy days. This was mainly because of its inaccessibility as an easy read. Most books that I would find are in Arabic. English is a language most easily understood by many. Hence the thought of compiling these beautiful supplications in a commonly used, global language arose. It's amazing how when Allah decides to bless you, he will cause situations to come together in your favour. This is compilation in the form of a beautifully coloured and designed book is a humble step towards reaching out to people who can make these supplications a part of their routine read and put them to good use in their daily lives. We wish our readers a happy read! "Be thankful for the unknown blessings already on their way"
