

approach allows photographers to produce final images contain a much-expanded range of tones, from white to black, than can be captured and reproduced with a "straight" image. As many of the striking images in this book were made with extensive postproduction work, readers will learn more tips and techniques for effective, efficient, artful image-editing than is found in the average book written for wedding photographers. Below written by the author My photography may be contemporary but I also cover the bases of photojournalism and the traditional family portraits. Not only do we provide a service but we also give them an experience of a lifetime. In the portrait session we direct and create moments that last a lifetime. I'd like to share that you can create world class images in your own hometown. You will learn how to create images and compete with the big shot wedding photographers who travel the world and shoot weddings in places like Italy, France and Spain.

2014-05-13 Brett Florens Every wedding is a journey; it starts off slowly many months before the "big day" and starts to accelerate as the auspicious occasion draws closer, with frenetic activity, unforeseen problems, and heightened emotions causing bumps and swerves along the road. When the day dawns, the hill to climb in the hours ahead can seem arduous, or for the über-prepared and relaxed, it could simply be plain sailing. And once the formalities are over and the party gets started, it's usually a speedy downhill ride from there! Photographers tasked with the job of recording the events of the day need to make this journey as pleasant as possible for the clients. Of course, this is no small task. In this book, Brett Florens takes readers step by step through one entire wedding, offering tips to smooth the rocky road for their clients. He provides a play-by-play look at all of the photographic tasks of the day, from the pre-shoot production procedures (engaging with the client about the look and feel of the shoot, developing a mood board [a collection of images, colors, etc. that will inspire the images]), to the engagement shoot, through to the post-wedding shoot and the compilation of the wedding album. He explains, in simple language, how he executed each aspect of the shoot and created the storytelling wedding album. He also discusses his equipment selection and the reasons why he opts to use the tools he selects. Because marketing is essential when trying to attract a specific client, he outlines surefire techniques for identifying, attracting, and securing your target market, allowing you carte blanche to create images and storybooks that reflect your vision and unique interpretation of the event.

2013-08-28 James D. Walters Weddings can be compared to elaborate theatrical productions where the guests see only what they are supposed to. Behind the scenes, however, it's not always this perfect portrait of marital bliss. Just ask the wedding photographer. In *Accessory to Marriage: A Chronicle of Outrageousness from my Life as a Wedding Photographer*, James Walters answers the question he's so often asked: "What's the craziest thing you've ever seen at a wedding?" His hysterical memoir is certain to satisfy the fascination most of us hold with the jaw-dropping misadventures that often occur on the big day, and that most guests rarely see. With humor, candor, and a perfect dose of sarcasm, this side-splitting look at outlandish behavior will coax a genuine smile out of anyone who has ever wondered what is really going on behind the scenes. As emotions run perilously high, those involved in this most special of all days are frequently teetering on the edge between creating their dream come true, and a complete hysterical meltdown. And it's not only the domain of the so-called bridezilla. From the drama queen grandmother to the opinionated best friend, there's usually one culprit in any crowd that can upend the most elegant of affairs. If you're a bride to be, you will get the inside scoop on the top thirteen things you can expect to happen on your wedding day. You'll learn straight from a beauty queen how to look great and maximize wedding dress cleavage. James also reveals which prescription drugs to avoid just before the ceremony and gives candid insights on the myriad subplots that weave themselves throughout every celebration. Walters also offers his own Jimmy Code language to identify common wedding characters, such as the Triple D, Fluffy, or the dreaded Crazy S.O.B. (it's not what you think) You'll discover why the letter 'G' is the most important letter in the alphabet for a wedding photographer, and find out some of the most outrageous things he's overheard in his fifteen years back stage with the "casts and crews" from several hundred weddings past. From the trouble with horses to morning sickness and wedding crashers, attempting to create perfection always brings the potential for serious blunders, and a few hearty laughs. James Walters has seen it all, and offers you a peak through his lens that will forever change the way you experience the next wedding you attend.

2012-01-10 Sharon Naylor A comprehensive, full-color guide to planning a wedding The average engagement lasts for eighteen months. During that time the bride and groom will most certainly stress over every last detail to make their Big Day the most Perfect Day. The *Bridal Bible* is the bride's new best friend as it helps the couple navigate their way through the world of invitation designs, ceremony styles, cake flavors, flower bouquets, and much, much more. The only book you need to plan a wedding, *The Bridal Bible* offers up an abundance of expert information complete with helpful tips on stress-free planning and step-by-step DIY information and tops it off with stunning visuals and photo galleries that will both inspire and educate the new couple as they make their journey to the altar.

2016-03-21 Wedding photographers are under tremendous pressure to capture once-in-a-lifetime moments—from the bride's preparations, to the ceremony, to the reception and the exit. They are forced to shoot in low light in every wedding—whether in poorly lit ceremony and reception venues or, later in the day, when the peak lighting has faded. This presents myriad problems and obstacles to achieving beautiful, artfully executed images of the events of the wedding day. In this book, popular photoeducator Brett Florens and contributors provide digital photo techniques and lighting solutions—from reflectors, to LED lights, to flash—that will help you ensure that no important image is lost to poor light or exposure concerns. From choosing and using the best camera settings to scouting locations with interesting, workable light, to creating gorgeous artistic effects, this book provides the skills you need to get THE shot at every stage of the wedding and in any locale.

2007-12 Mary Carol Garrity Nell Hills enterprising entrepreneur Mary Carol Garrity delivers practical yet elegant tips on creating lavish weddings without expending huge amounts of time, money, and energy.

2018-05-02 Amanda Pendolino *Wedding Planning For the Busy Feminist* is filled with practical, funny advice from real brides, grooms and vendors about how to plan your dream wedding on a budget. It's also an empowering survival guide that examines how modern women feel conflicted about outdated traditions and expensive social media fantasies but kinda want the perfect wedding anyway. With tons of tips, interviews and funny stories, the book is about everything from dress shopping and confusing caterer gratuities to Pinterest anxiety and managing your partner's role in the process. Wedding planning can be stressful, so I'm here to make it easier - with advice like "nothing sexes up a ceremony like a hot usher" and true stories about what to do when your Maid of Honor drops out because of *WrestleMania*. The book dives into wedding planning, wedding budgets, dresses, wedding timelines, family drama, self-care, elopements, DIY decor, receptions, ceremonies, vows, speeches, changing your name, bachelor parties and bachelorette parties, photographers, themes, hashtags, favors and more. The appendix alone has over 300 bridal gown designers, accessory designers, plus size designers, decor inspiration, resale sites, invitations, favors, wedding apps and license information. I won't push you to include or exclude any particular tradition - my mantra is "you do you!"

2022-01-06 Sara Gibbs

2011-04-05 Jose Villa Many semi-pro and professional wedding photographers are looking to "wake up" their style, stay current, and stimulate business. And today, that means lifestyle photography, also referred to as "fine art wedding photography." Fine art wedding photography isn't just a catchy phrase; it's a modern approach in which design is paramount. Fine art wedding images are more graphic and stylized than traditional wedding photojournalism, as if they were pulled from the pages of a glossy wedding or lifestyle magazine. Acclaimed wedding photographer Jose Villa was a pioneer in fine art wedding photography before it became a trendy buzzword. Here, he shares his secrets for bringing a stylized sense of composition, lighting, posing, and most important, design, to your images, while still keeping them organic and narrative. You'll learn Jose's trademark technique of capturing the more natural moment after a pose, and tips for getting images right in-camera to avoid the need for heavy postproduction. Final chapters show you how to integrate design through the delivered product, whether an album or slideshow, and continue nurturing clients after the wedding by expanding to baby and family portraiture. Packed with real-life examples, solid techniques, and stunning images from one of the wedding industry's brightest stars, this book will both educate and inspire photographers seeking to update their work and satisfy a new generation of brides.

2012-12-06 Damien Lovegrove World-class wedding photographer shares his simple yet powerful recipe for creating a strong style and a profitable business.

2011-05-03 Jacqueline Tobin Wedding Photography Unveiled reveals the art, philosophies, strategies, business practices, and techniques of twenty top wedding photographers from across the United States and showcases their favorite images. The focus is on the freshest styles—especially the blend of photojournalism with more relaxed lifestyle and high-fashion looks, including environmental portraits. These are the styles that today's brides expect, inspired by the images they see in bridal, celebrity, and fashion magazines. With practical, priceless, straight-from-the-front-lines advice on equipment, setting rates, getting published, websites, albums, and more, this book will give you the inspiration, insight, and instruction you need to navigate the lucrative field of wedding photography.

2010-02-03 David Ziser IMAGINE THE ADVANTAGE YOU'D HAVE IF ONE OF THE WORLD'S TOP WEDDING SHOOTERS SHARED HIS SECRETS WITH YOU World-renowned wedding photographer, and one of the most widely acclaimed instructors in the industry today, David Ziser brings his no-nonsense, straight-to-the-point teaching style to a book that totally rewrites the rules for how wedding photography is taught. This groundbreaking new book is the first of its kind to focus on the exact areas that wedding photographers have been begging a top pro like David to cover, including how to create professional quality light and beautiful images in every situation, how to compose wedding images that sell, and how to create amazing images in the limited time and at the fast pace of a wedding. But David doesn't just stop there. He covers every aspect of what today's brides and wedding couples want from a wedding photographer, including poses that work every time and can't-miss lighting setups you can use again and again, and everything is laid out in a brilliant step-by-step method that makes learning these techniques so easy, you'll be able to pull off these same looks yourself (without spending thousands on expensive equipment). Plus, the book is packed with David's tricks of the trade that he's picked up in a career shooting all over the world. LEARN HOW THE PROS REALLY DO IT Each year David trains thousands of photographers on how to shoot weddings like a pro. He knows the problems and challenges today's wedding photographers face, and that's exactly what he covers in this book. You'll learn everything on the list here and much more: Professional posing and composition tips Simple on-location lighting setups that are specially designed for the wedding photographer How to get gorgeous images using a minimal amount of time and equipment Creative lighting techniques that anyone can use to create dramatic wedding portraits that will set you apart David's own camera settings and lens selections (which lenses to use when, and why), and how to get the best results with your existing gear How pros use on- and off-camera flash, and a host of tricks of the trade that will make you more profitable and have you delivering the type of wedding shots you've always dreamed of! Plus, the book includes the complete cover-to-cover layout from one of David's wedding album designs to help spark your creative juices and give you ideas to take your own layouts to the next level. The wedding photography industry has been waiting for a landmark book that would become "the book" that finally changes everything, and that's exactly what you'll be getting with the purchase of this book.

2012-08 Maggie Lord Presents tips and inspiration for designing rustic wedding decorations, providing an alternative to traditional ballroom weddings and suggesting such non-traditional locations as country farms and backyard venues.

1991-03-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

2010 Bill Hurter The rewards of being a successful wedding photographer are significant, both financially and creatively. An increasing number of ever-more talented photographers are attracted to the field and competition is high. Rangefinder editor Bill Hurter shows readers how they can attain this greatness. He covers the technical aspects of the profession in detail, also revealing the more subtle aspects of the craft, such as interpersonal skills and how to remain calm under pressure, as well as the artistry required for top photography.
