2007-02-06 Mystery "One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: \*Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. \*Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. \*Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. \*Smile. Guys who don't get laid, don't smile.

The second purpose is to provide a real teaching tool for all those who come to this world of theory, practice, and lots of creativity. Getting familiar with the issues of colorimetry and apply them with satisfactory results, is not easy. 2017-06-06 Osho Taoist teachings on life and existence—presented by one of the best-known and provocative spiritual teachers of our time In this unique series of discourses, Osho unravels The Secret of the Golden Flowers, an ancient text that he describes as the essence of Taoism. It is the core of all religions and spiritual paths, belonging to no one and belonging to all. More than 2,500 years old, this remarkable text continues to be as relevant today as it was to its contemporaries. Osho demystifies the important terms used by the Chinese mystic Lu Tsu and shares his meditation exercises. He also outlines the qualities of animus and anima—our male and female energies—as delineated by Lu Tsu, explaining the importance of their relationships inside each of us. He also provides many valuable techniques and gives specific instructions on the Taoist Golden Light Meditation, which involves harmonizing the male and female elements and transmuting sexual energy. A timeless collection of Osho's talks on The Secret of the Golden Flower, this book will show you how to not remain a seed but to become what the Chinese called 'a golden flower.' Called the 'one thousand-petaled lotus' in India, the golden flower is a symbol that represents perfection, totality. It represents the actualization of potential—the beauty, the grandeur, and the splendor of being.

2012-06-01 Pseudonymous Bosch Do you want to finally, conclusively, and at (very) long last, learn the Secret? Are you REALLY sure? Because now's your chance to escape... No? You're staying put? Have you any idea of what lies between these perilous pages? (How could you? ... except perhaps if you were to smell that faint aroma of musty mummy, or catch a glance of the deviously despicable Lord Pharaoh). Well, if you really want to learn the Secret I suppose you'll HAVE to read this. But you won't like it. The fifth and final fantastical adventure in the 'Secret' series in which Cass, Max-Ernest and Yo-Yoji are accused of stealing a

very-valuable-and-not-to-be-touched ancient Egyptian mummy from the local museum. They are determined to clear their names, but after getting accidentally trapped in a crate with a mummified cat, the three youngest members of the Terces society unwittingly find themselves on their way to the great pyramids of...Las Vegas. Amongst the dusty corridors of the Cairo Hotel and mysterious hieroglyphs of the Nile Nail Salon, Cass draws ever closer to uncovering the Secret...

2012-06-01 Pseudonymous Bosch For those foolish enough to have read "The Name of this Book is Secret" and too foolhardy to have turned away from "If You're Reading This, It's Too Late", the third book in the series is best avoided. This book contains none of the following: A cursed Aztec artefact, an evil and deranged chef, a secret jungle lair inhabited by cocoa-crazed monkeys, the most dangerous chocolate ever created. Never visit [www.keepthesecret.co.uk](http://www.keepthesecret.co.uk) if you know what's good for you. "What child could resist it? A deliciously dark and chocolatey book full of big chunks of crazy humour and a cast of mouth-watering characters... "This Book is Not Good for You" is actually very good for you...the teasing, topsy-turvy world created by the scrumptious Mr Bosch is guaranteed to have you laughing all the way to the next instalment." - Lancashire Evening Post

2012-06-01 Pseudonymous Bosch WARNING! Appearances can be deceptive...This book is NOT filled with ancient magic, mystical clairvoyants and the marvels of time travel. This is NOT a book detailing the latest top secret investigations of the Terces Society. You will NOT find stolen treasure, masked bandits and bloodthirsty knights between the pages of this book. But before you go, just remember one thing... This Isn't What It Looks Like. The utterly gripping fourth fantastic book in the "Secret" series in which Cass's mind has been transported back to medieval England after she dared to taste the Midnight Sun's deadly chocolate. She must seek out her ancient ancestor and founder of the Terces Society, the jester, and help him escape the evil clutches of Lord Pharaoh, founder of the Midnight Sun. To Cass's horror, when she wakes from her coma she has forgotten everything. But a school trip to a medieval fair stirs her memories and she is confronted with a menacing blast from her time-travelling past... "The crazy, upside-down, inside-out, mysterious, madcap and fun, fun, fun Pseudonymous Bosch is back with another extraordinary, out-of-this-world chapter in his seriously addictive children's 'Secret Series'. Bursting out all over with comic characters and intriguing adventures, this is... top-class entertainment for kids aged 10 and over, combining comical capers with old-fashioned mystery, sparkling adventure and lashings of Bosch's zany humour." - Lancashire Evening Post
