2019-09-16 Elizabeth Porter Life is hard for the young Cheyenne Warrior fighting off the invasion of the white man. Disillusioned with the killing, Shadow Wolf decides to covertly hit them where it matters most; he becomes the proficient thief who causes entire wagon trains to give up and turn around. When their ammo and weapons disappear in the dark of night, they lose confidence and decide to head back East. However, when a French trapper brings his younger sister into Shadow Wolf's world, life gets tougher still. Drucilla cannot keep her mouth shut and her newfound feelings toward men are both confusing and irritating. Shadow Wolf wants nothing to do with her immature babbling but is impressed with her survival skills. When they are attacked, she shows her worth as a strong and knowledgeable woman of the land but, will that be enough to make it work? Surrounded by death and loss, will an innocent white girl just coming into her adulthood and the disenchanting Native Warrior fall in love while risking life and limb for each other? This story will change the way you look at love and devotion. Will he give his life to save the one he loves?

2017-10 Steven Seagal Action adventure about a tribal police officer in Arizona who stumbles onto a crime involving international covert operations.

2020-02-19 Jake Kaminski This is the story of Ethan Crowe, a Lakota Sioux tracker who spent a career with the Delta Forces and the Defense Intelligence Agency. Crowe's story begins in the hellish nightmare of Bosnia, where as a young scout for a Ranger company, he and two other Native Americans help track down the Skorpions, a Serbian militia committing genocide on the local populace. The action shifts to the present and the southern border of the United States. Powerful Mexican cartels are utilizing vast stretches of the border to send billions of dollars in illegal drugs into the US. Powerful drug lords preside like kings over their empires, secluded and untouchable in their remote mountain fortresses. Killing fields are being found on both sides of the border. Homeland Security needs a solution. General Darren Evans has been asked to form a special team of Native American trackers to combat the cartels where they are most vulnerable in the Arizona borderlands. The group is to be called the Shadow Wolves, and General Evans knows exactly the man to lead them. Crowe is lured out of retirement to the Arizona desert. An elite team is born, comprised of tough, dedicated Native Americans from tribes across the United States. Within the new team are two remarkable Apache women—fierce warriors who will become the soul of the Shadow Wolves. They will battle the vicious Zetas, moving through the desert landscape like ghosts. A mysterious figure sits on the throne of the Zeta cartel. Known only as Yaotl, he claims pure Aztec blood. He lives by his own rules in complete disdain for the laws of the West. A gruesome series of murders and the discovery of twenty young girls being sold in the desert set the stage for a confrontation between the feared Zetas and the Shadow Wolves. The Shadow Wolves will follow a blood trail that takes them all the way to the corridors of

power in Washington, DC.

2012-06-05 Karen Kay Warrior's Woman He had vowed to make her his wife when she was a mere girl. But now that Alys Clayton was a woman grown and ripe for the love of an honorable man, Moon Wolf knew that man could not be him. For she had since been named Wolf Shadow, a warrior pledged to protect his people. A well-born beauty like Alys deserved much more than a revel Indian could give her. And Moon Wolf loved her too much to deny her anything... Alys had long waited for the day when she would be reunited with the darkly handsome suitor who had filled her young heart with yearning. And once in Moon Wolf's tender embrace, she longed to fulfill their vow of love. But Moon Wolf struggled against his passion, stubbornly denying her the one thing that would make her truly his. Now Alys was determined to show the noble warrior that he need not walk alone and that theirs was a love meant to be...

2023-03-30 John Wills While the Western was dying a slow death across the cultural landscape, it was blazing back to life as a video game in the early twenty-first century. Rockstar Games' Red Dead franchise, beginning with Red Dead Revolver in 2004, has grown into

one of the most critically acclaimed video game franchises of the twenty-first century. Red Dead Redemption: History, Myth, and Violence in the Video Game West offers a critical, interdisciplinary look at this cultural phenomenon at the intersection of game studies and American history. Drawing on game studies, western history, American studies, and cultural studies, the authors train a wide-ranging, deeply informed analytic perspective on the Red Dead franchise—from its earliest incarnation to the latest, Red Dead Redemption 2 (2018). Their intersecting chapters put the series in the context of American history, culture, and contemporary media, with inquiries into issues of authenticity, realism, the meaning of play and commercial promotion, and the relationship between the game and the wider cultural iterations of the classic Western. The contributors also delve into the role the series' development has played in recent debates around working conditions in the gaming industry and gaming culture. In its redeployment and reinvention of the Western's myth and memes, the Red Dead franchise speaks to broader aspects of American culture—the hold of the frontier myth and the "Wild West" over the popular imagination, the role of gun culture in society, depictions of gender and ethnicity in mass media, and the increasing allure of digital escapism—all of which come in for scrutiny here, making this volume a vital, sweeping, and deeply revealing cultural intervention.

2015-07-01 Jenna Kernan RIVAL TRIBES... Running Wolf is a valiant Sioux warrior. During his first raid as war chief he captures a surprising Crow enemy - a woman! This spirited fighter is unlike any he's ever met. Her beauty and audacity are entrancing, but they threaten his iron resolve...

2016-08-08 Nelson Ottenhausen The Tohono O'odham Shadow Wolves organization is the only authorized American-Indian tracker-unit presently in the U.S. law enforcement inventory. Their motto is: In brightest day, in darkest night, no evil shall escape my sight ... for I am a Shadow Wolf. In 1972, the United States Congress authorized Custom Services to establish a fifteen-man, American-Indian law enforcement unit to patrol the Tohono O'odham Indian Nation in southern Arizona with the primary mission to track and arrest drug smugglers and illegal immigrants crossing the border into the U.S. from Mexico. After the horrific attack on the two Trade Center buildings in New York City on 9/11/2001, the Customs and Border Protection Agency took over control of the unit. Then in 2006, the government reassigned the unit to another agency, Immigration and Customs Enforcement (ICE). The unit is called Shadow Wolves, earning the name by the way they conduct a field operation. If a Shadow Wolf customs agent or a U.S. Border Patrol officer finds any evidence of drug smuggling and illegal migrations within the Indian Nation's boundaries, a team, or in some cases, the entire fifteen-man unit is deployed to track and hunt down the lawbreakers Tino Ortega heads a tactical law enforcement unit assigned to ICE (U.S. Immigration and Customs Enforcement). They call themselves Shadow

Wolves. Their primary mission is to track drug smugglers and illegal immigrants who cross the border of Mexico into the American-Indian Tohono O'odham Nation located in the Sonoran Desert of southern Arizona, an area infested with dangerous rattlesnakes, venomous lizards and sometimes with deadly radical terrorists. While on assignment in the desert, Special Agent Ortega and two members of his team find three bodies killed execution style. Two of the bodies are U.S. Border Patrol agents. The third body is one of their own, a Shadow Wolf tracker. The FBI asks Ortega to assist in finding those who murdered the three men. He agrees, but the Shadow Wolves soon learn there is more to the case than a simple murder investigation.

2019-01-21 Jenna Kernan A full-length, opposites-attract, stranded-with-a-stranger love story. Artist and daughter of a wealthy industrialist, Eleanor Hart longs to paint the raw power of the vanishing West. To do so, she accepts her father's conditions: He will fund the expedition if afterward she will marry a man of his choosing. On arrival, she finds her guide is rough-hewn and rugged. Troy Price is not the sort of man that her father would choose for her but personifies the fierce self-sufficiency she covets. On their journey, he transforms her longing for recognition into a yearning for freedom, adventure, and a forbidden passion. Troy knows he will never find acceptance in her privileged world, but despite all reason, he can't resist loving this proper, polished wild-child, even knowing that her father—and her promise to marry—await.

2019-10-10 Jenna Kernan A full-length, second-chance, enemies-to-lovers love story. When Thomas West came home from the goldfields, it was to discover he'd been betrayed by his brother and the girl who swore to be true. Now, fourteen years later, he finds the woman he loved at his door demanding his help because his brother is dead, and the Sioux have captured their daughter. Not his brother's daughter... Thomas' daughter. Sarah West claims they reported Thomas dead, leaving her in trouble with only his broken promise to return. By the time she discovered he was alive, she was already a mother and married to his brother. Now she demands he help her save their child. The two estranged lovers reunite. Together, they set out for the Great Plains to rescue their little girl, but can they mend broken fences — and heal their broken hearts?

2019-01-21 Jenna Kernan A full-length, stranded-with-a-stranger, opposites-attract love story. Jake Turner could have left the sole survivor of a Crow massacre to die at the hands of her captors. Instead, he bargains for her life. He can't explain what he feels when he looks at her but knows it jeopardizes his secret mission for President Jackson. Now, he's saddled with unwanted baggage, or so he thinks! But Emma Lancing is full of surprises. Bold and quick-witted, she soon rouses his admiration and ardor as, day-by-day, she turns from a liability to the ideal partner. Emma wants only to escape her abusive father and vows to never again be ruled by a man. But journeying with Jake makes her long to join him on his adventures and taste passion in his arms! For a woman determined to keep men out of her life, Emma may just have met her match.

2019-01-21 Jenna Kernan She survived the winter alone... After Cordelia Channing endures the lethal winter season alone in the Rocky Mountains, she is discovered by Thomas Nash, a solitary mountain man who wants only to hunt, trap and be left alone to grieve the woman he could not save. Cordelia aches to go east before winter but over the days and miles, Delia finds her battered spirit yearning for this self-reliant trapper, who stirs her longing and wakes her heart. With only few, vital months to hunt before the snows fly, Nash has no time to look after a woman. He is surprised as Delia transforms his life and gives him the second chance he never expected. But with fall approaching, she must face her resolve to escape another deadly winter, and he must confront his oath not to open his heart to love once more. "...a fascinating portrait of the early days of the West and...an action-packed yet tender love story." -RT Book Review on Winter Woman

2008 Herman J. Viola "Native Americans have willingly served in the U.S. military during every one of its wars, and their numbers in the armed forces today exceed the percentage of any other ethnic group. What inspires these young people to enlist? One factor is the opportunity to continue a proud warrior tradition in which the deeds of battle are considered the highest form of bravery - a cultural context that is detailed in Warriors in Uniform." "Author Herman J. Viola sets this story against a chronology of conflict from the 1770s to the present, revealing the roles of Native Soldiers in America's two wars with Britain, the poignant reason 15,000 American Indians wore Confederate gray, and the distinction with which they have served in both world wars as well as Korea, Vietnam, Afghanistan, and Iraq." "Illustrated with archival images, exhibit-worthy photo essays, and artifact galleries from museum events nationwide, this special edition of Warriors in Uniform holds fascination for everyone interested in history, culture, biography, and art, as well as deeper truths, for all of us, about the way we view one another as fellow citizens of the nation and the world."--BOOK JACKET.

2020-04-11 Elizabeth Anne Porter Ghost Hawk was the pride of his village, their most fearsome Warrior. Although not much for speaking himself, he had a gift for languages - a gift which he considered both a curse and a blessing. He cared deeply for the Native traditions, including keeping the bloodline pure. He never backed down from any battle including the ones with the intruding white men. He witnessed attack after attack on the Native villages and the merciless killing of the ones he loved. And yet, a beautiful white woman, alone and passed out in the woods, called on his sense of integrity. Knowing she was in danger of certain death from the elements or possibly being eaten by a wild predator, he found himself conflicted. What was it about Grace that could cause the cold-hearted killer to rethink his hatred and consider being her savior? Grace was the victim of the hard times settlers faced when trying to make a life in the untamed West. Her mother dying in childbirth left her without a female role model and cemented her fear of love and being intimate. She and her father made the decision to move westward in an ill-conceived attempt to repair their relationship. Stranded in a camp full of dirty, discourteous men,

she felt fated to live the life of an unloved wife and mother. Running from an apparent attack on the mining camp, she finds herself injured and alone. The only help offered to her is a man she knows she should fear; Ghost Hawk - a fierce-looking Apache warrior. He awakens within her feelings she didn't know existed. Does he feel the same about her? Is the hope of happiness more important than keeping the bloodline pure, and will it be enough to quell her fear of intimacy? 2022-03-17 Herman J. Viola For decades, American schoolchildren have learned only a smattering of facts about Native American peoples, especially when it comes to service in the U.S. military. They might know that Navajos served as Code Talkers during World War II, but more often they learn that Native Americans were enemies of the United States, not allies or patriots. In Warrior Spirit, author Herman J. Viola sets the record straight by highlighting the military service—and major sacrifices—of Native American soldiers and veterans in the U.S. armed services. American Indians have fought in uniform in each of our nation's wars. Since 1775, despite a legacy of broken treaties, cultural suppression, and racial discrimination, indigenous Americans have continued to serve in numbers that far exceed their percentage of the general U.S. population. Warrior Spirit introduces readers to unsung heroes, from the first Native guides and soldiers during the Revolutionary War to those servicemen and -women who ventured to Vietnam, Iraq, and Afghanistan. This outstanding record of service begs a question: Why do American Indians willingly serve a country that has treated them so poorly? Native veterans invariably answer that they are a warrior people who have a sacred obligation to defend their homeland and their families. Written to be accessible to young adult readers, Warrior Spirit is a valuable resource for any reader interested in Native American military history.

2017-03 Jenna Kernan Could protecting her mean protecting the enemy? As a former US Marine, Turquoise Guardian Ray Strong is no stranger to high-risk situations. But when he is assigned to protect Morgan Hooke - a single mother and daughter to the Apache who killed a mass gunman - Ray suspects there is more to his mission than meets the eye. Is Morgan an innocent bystander, or the keeper of her father's secrets and blood money? Despite his better instincts, Ray feels a powerful attraction to Morgan. Motivated by love and the loss of his own parents and best friend, Ray will do anything to keep her out of the hands of unseen enemies.

2016-06-01 Michelle Sagara A powerful young warrior must return to the perilous city she escaped years ago in the New York Times–bestselling author's fantasy series debut. Seven years ago Kaylin fled the crime-riddled streets of Nightshade, knowing that something was after her. Children were being murdered—and every victim had the same odd markings that had mysteriously appeared on her own skin. . . . Since then, Kaylin has learned to read, she's learned to fight, and she's become one of the vaunted Hawks who patrol and police the City of Elantra. Alongside the winged Aerians and the immortal Barrani, she's made a place for herself, far from the mean streets of her birth. But now children are dying once again. And a dark

and familiar pattern is emerging. Kaylin is ordered back into Nightshade with a partner she knows she can't trust, a dragon for a companion, and a device to contain her powers—powers that no other human has. Her task is simple—find the killer, stop the murders . . . and survive the attentions of those who claim to be her allies . . .

2012-09-30 R. Austin Freeman In this delightful detective story, Richard Austin Freeman should truly satisfy the inquisitive reader's mind, with incredible twists and turns and the ever-likeable Dr Thorndyke. This excellent novel presents one of the most intriguing dilemmas Freeman wrote about.

2011-07-08 Susan Elaine Graves *The Gulf waters sing a beautiful song.* As the wind blows its waves along. The crimson sky paints the setting of the sun. Glistening waves roll in then run. Manatee swim freely in the Springs. The Egret ready to fly, spreads her wings. Gators swim from the banks where they lay in the heat of the Florida sun. To the warm waters to feed when the day is done. Fishermen reel in their lines. Then head home to cook their finds. Bathers on the beach wrapped in a towel. Go to their cars when they hear the waters growl. Splashing against the rocks, Gulf Waters make a pounding sound. When the high tides roll up onto the higher ground. Sea Gulls and Pelicans rest on the rocks. Gathering there in large flocks Then all the echoes disappear into the night. Bringing celestial bliss until daylight.

2014-03-24 Todd Miller "In his scathing and deeply reported examination of the U.S. Border Patrol, Todd Miller argues that the agency has gone rogue since the Sept. 11 terrorist attacks, trampling on the dignity and rights of the undocumented with military-style tactics. . . . Miller's book arrives at a moment when it appears that part of the Homeland Security apparatus is backpedaling by promising to tone down its tactics, maybe prodded by investigative journalism, maybe by the revelations of NSA leaker Edward Snowden. . . . Border Patrol is quite possibly the right book at the right time . . ."--Tony Perry, *Los Angeles Times* "At the start of his unsettling and important new book, *Border Patrol Nation*, Miller observes that these days 'it is common to see the Border Patrol in places--such as Erie, Pennsylvania; Rochester, New York; or Forks, Washington--where only fifteen years ago it would have seemed far-fetched, if not unfathomable.'"--Barbara Spindel, *Christian Science Monitor* "Miller's approach in *Border Patrol Nation* is to offer a glimpse into the secretive operations of the Border Patrol, reporting with a journalist's objectivity and nose for a good story. Miller's book is full of facts, and it's clear he's outraged, but he gives voices to people on every side of the issue. . . . Miller's book is a fascinating read. . . and bring the work of Susan Orlean to mind."--Amanda Eyre Ward *Kirkus Reviews* "Todd Miller's invaluable and gripping book, *Border Patrol Nation: Dispatches from the Front Lines of Homeland Security* is the story of how this country's borders are being transformed into up-armored, heavily militarized zones run by a border-industrial complex. It's an achievement and an eye opener."--Tom Engelhardt, *TomDispatch* "What Jeremy Scahill was to *Blackwater*, Todd Miller is to the U.S. Border Patrol!"--Tom Miller, author, *On the Border: Portraits of America's Southwestern Frontier*

"Todd Miller has entered a secret world, and he has gone deep. . . . Powerful."--Luis Alberto Urrea, author of *The Devil's Highway: A True Story* "Journalist Miller tells an alarming story of U.S. Border Patrol and Homeland Security's ever-widening reach into the lives of American citizens and legal immigrants as well as the undocumented. In addition to readers interested in immigration issues, those concerned about the NSA's privacy violations will likely be even more shocked by the actions of Homeland Security."--Publishers Weekly, *Starred Review* Armed authorities watch from a military-grade surveillance tower as lines of people stream toward the security checkpoint, tickets in hand, anxious and excited to get through the gate. Few seem to notice or care that the US Border Patrol is monitoring the Super Bowl, as they have for years, one of the many ways that forces created to police the borders are now being used, in an increasingly militarized fashion, to survey and monitor the whole of American society. In fast-paced prose, Todd Miller sounds an alarm as he chronicles the changing landscape. Traveling the country—and beyond—to speak with the people most involved with and impacted by the Border Patrol, he combines these first-hand encounters with careful research to expose a vast and booming industry for high-end technology, weapons, surveillance, and prisons. While politicians and corporations reap substantial profits, the experiences of millions of men, women, and children point to staggering humanitarian consequences. *Border Patrol Nation* shows us in stark relief how the entire country has become a militarized border zone, with consequences that affect us all. Todd Miller has worked on and written about US border issues for over fifteen years.

2007-06-01 Bobbi Smith *New York Times* bestselling author Bobbi Smith spins a compelling story of the forbidden love between a proud Indian warrior and the woman he cannot forget—or resist... For years Silver Wolf had fought against the white blood that flowed through his veins. He was an Indian warrior who would protect his people at all costs. Yet resisting the desire he felt for Cari McCord was a battle he would never win. He had saved Cari from certain death in a blinding blizzard one night. Her beauty mesmerized him and her passion left him yearning for more... But she shared the same beliefs and customs of the men who had brought so much misery to his tribe. She was one of them. How could he ever trust her with his heart and soul? But the more he denies his love for Cari, the more he is drawn to her as he surrenders to a temptation that could set him free—or devastate him forever.

F.M. Parker LEFT FOR DEAD, ALL HE WANTED FROM LIFE WAS TO KILL HIS KILLERS COLDIRON COMES BACK Luke Coldiron was a hard man—but not as hard as the bullets ripping through his flesh. That's what a vicious army deserter named Jubal Clason and a renegade Indian warrior named Ghost Walker figured when they left his riddled body at the bottom of a ravine. They lifted his gold and rode off back to the mountains, where they thought they were as safe as being in church. They were wrong. Wrong about Coldiron being dead. And wrong about being safe. With a woman whose husband they had killed by his side, and with his guns cocked for killing, Coldiron was coming after them . . . ready to ride through the jaws of hell if he could blast them into it. . . . F.M. PARKER has established himself as the most exciting Western writer in years with such triumphs as Skinner, The Searcher, and, of course, the acclaimed Coldiron, in which Luke Coldiron first appeared.

In The Shadow Rising, the fourth novel in Robert Jordan's #1 New York Times bestselling epic fantasy series, The Wheel of Time®, Rand al'Thor now wields the sword Callandor. He is both the Champion of Light and the Dragon Reborn. Now, he seeks answers to another prophecy that lies with the warrior people known as the Aiel to put him on the path of learning how to wield the One Power. Accompanied by Moiraine Damodred, Rand arrives at the Aiel Waste and is granted permission by the Wise Ones to enter the sacred city of Rhuidean. After passing through a doorway to ter'angreal, Moiraine gains foresight while the Aiel await Rand's return, either with both arms marked by dragon symbols, validating his identity as He Who Comes With the Dawn, the Chief of Chiefs of all the Aiel—or to never emerge at all. Since its debut in 1990, The Wheel of Time® has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and The Eye of the World was named one of America's best-loved novels by PBS's The Great American Read. 2012-07-19 Harry Sidebottom Warrior of Rome: The Wolves of the North by Harry Sidebottom marks the start of a new trilogy within the Warrior of Rome series. AD263 - barbarian invasions and violent uprisings threaten to tear apart the Imperium of Rome. In the north, the tribes are increasingly bold in their raids on the Imperium - their savagery unlike anything Rome has known before. Ballista must undertake his most treacherous journey yet - a covert attempt to turn the barbarians of the steppe against each other. He must face the

Heruli - the most bizarre and brutal of all the nomad tribes - the Eaters of Flesh, the Wolves of the North. As Ballista and his retinue make their journey, someone - or something - is hunting them, picking them off one by one, and leaving a trail of terror and mutilated corpses. Ballista is in a strange land, among strange people, but is it possible that the greatest threat may come from within his own familia? Dr Harry Sidebottom is a leading authority on ancient warfare - he applies his knowledge with a spectacular flair for sheer explosive action and knuckle-whitening drama. Fans of Bernard Cornwell will love Sidebottom's recreation of the ancient world. Praise for Harry Sidebottom: 'Sidebottom's prose blazes with searing scholarship' The Times 'The best sort of red-blooded historical fiction' Andrew Taylor, author of The American Boy Dr. Harry Sidebottom is Fellow of St Benets Hall, and Lecturer at Lincoln College, Oxford - where he specializes in ancient warfare and classical art.

2003-04 John Bishop Park Service surveyor and former FBI forensic specialist Jack Randall finds himself swept away in a diabolical journey through a mystical primitive world. Following a naked man captured by aborigines, Jack steps through a vortex into a prehistoric 13th century Mesa Verde culture. Accompanied by a shaman of the Butterfly Clan, the shaman's lively and lovely granddaughter and Jack's best friend Spade, he searches the American Southwest 800 years in the past for an ancient Egyptian tablet. To find and possess the tablet, the trekkers must outwit a primeval cult whose high priest, sensuous women and warriors will stop at nothing to reclaim the lost stone. Murder becomes the norm. Loyalties are tested. Jack struggles to piece together the evidence--who among them is eliminating the trekkers one by one for their own selfish ends? The realism of a 13th century Mesa Verde setting comes from Bishop's years of extensive reading about our Ancestral Puebloans.
