2011-04-15 Sandra L. Haner If you are looking for a quality children's Bible study with a proven track record, then Stacey Smith's Children of Faith is just what you need. For many years, we incorporated Children of Faith into our church's curriculum with tremendous success. The simple structure and solid, biblically-based lessons were easy to use and gave the children a Christian foundation for life. Stacey is a wonderful teacher, mother, and homeschooler, and a superb writer you can count on. Dr. Randy Colver, author, pastor and teacher at Coweta Community Church I home-schooled my four children for twelve years while using Stacey's Children of Faith as my Bible curriculum. The Scriptures became very practical and well understood as we studied, prayed, and used the crafts. My children used the prayer guide for years. I believe there are many more children and adults who would genuinely grow in their love and knowledge of our Lord Jesus Christ. Sharlott Williams

2003-05-01 Tom Dooley One of the most stunning, unique and captivating books on the account of the Ark and the global Flood of Noah's day ever produced. The thrilling adventure of Noah comes to life through the dazzling, detailed illustrations by Bill Looney in the exciting True Story of Noah's Ark. The images of the interior of Noah's ark are like nothing you've ever seen before. The people and cities depicted here are certainly more advanced than what you've been led to believe And this is not fiction - it's all biblically and historically based. This book is not just material for Ministry to Children, but can also be used as an excellent Evangelical tool because it comes directly from the multi-media presentation of author Tom Dooley, who uses it to witness to multitudes of people across America every week.
