Death in Florence (A Year in Europe—Book 2) 2021-03-30 Blake Pierce

"When you think that life cannot get better, Blake Pierce comes up with another masterpiece of thriller and mystery! This book is full of twists, and the end brings a surprising revelation. Strongly recommended for the permanent library of any reader who enjoys a very well-written thriller." --Books and Movie Reviews (re Almost Gone) DEATH IN FLORENCE is book #2 in a charming new cozy mystery series by USA Today bestselling author Blake Pierce, whose #1 bestseller Once Gone has received 1,500 five-star reviews. The series (A YEAR IN EUROPE) begins with book #1 (A MURDER IN PARIS). Diana Hope, 55, is still adjusting to her recent separation when she discovers her ex-husband has just proposed to a woman 30 years younger. Secretly hoping they would reunite, Diana is devastated. She realizes the time has come to reimagine life without

him—in fact, to reimagine her life, period. Devoting the last 30 years of her life to being a dutiful wife and mother and to climbing the corporate ladder, Diana has been relentlessly driven, and has not taken a moment to do anything for herself. Now, the time has come. Diana never forgot her first boyfriend, who begged her to join him for a year in Europe after college. She had wanted to go so badly, but it had seemed like a wild, romantic idea, and a gap year, she'd thought, would hinder her resume and career. But now, with her daughters grown, her husband gone, and her career no longer fulfilling, Diana realizes it's time for herself—and to take that romantic year in Europe she'd always dreamed of. Diana prepares to embark on the year of her life, finally turning to her bucket list, hoping to tour the most beautiful sights and sample the most scrumptious cuisines—and maybe, even, to fall in love again. But a year in Europe may have different plans in store for her. Can A-type Diana learn to go with the flow, to be

spontaneous, to let down her guard and to learn to truly enjoy life again? In DEATH IN FLORENCE (Book #2), Diana arrives in Florence, ready to shake off the events of Paris and fulfill her lifelong dream of being proposed to on the romantic Ponte Vecchio bridge. But Diana can never possibly anticipate what she is about to find on that bridge, and how it may just turn her romantic dream into a ridiculous nightmare! A YEAR IN EUROPE is a charming and laugh-out-loud cozy mystery series, packed with food and travel, with mysteries that will leave you on the edge of your seat, and with experiences that will leave you with a sense of wonder. As Diana embarks on her quixotic quest for love and meaning, you will find yourself falling in love and rooting for her. You will be in shock at the twists and turns her journey takes as she somehow finds herself at the center of a mystery, and must play amateur sleuth to solve it. Fans of books like Eat, Pray, Love and Under the Tuscan Sun have finally found the cozy mystery series

they've been hoping for! Book #3 (VENGEANCE IN VIENNA) in the series is now also available!

Financial Trading and Investing 2018-03-21 John L. Teall Financial Trading and Investing, Second Edition, delivers the most current information on trading and market microstructure for undergraduate and master's students. Without demanding a background in econometrics, it explores alternative markets and highlights recent regulatory developments, implementations, institutions and debates. New explanations of controversial trading tactics (and blunders), such as high-frequency trading, dark liquidity pools, fat fingers, insider trading, and flash orders emphasize links between the history of financial regulation and events in financial markets. New sections on valuation and hedging techniques, particularly with respect to fixed income and derivatives markets, accompany updated regulatory information. In addition, new case studies and additional exercises are included on a website that has been revised, expanded and updated. Combining theory and application, the book provides the only up-to-

date, practical beginner's introduction to today's investment tools and markets. Concentrates on trading, trading institutions, markets and the institutions that facilitate and regulate trading activities Introduces foundational topics relating to trading and securities markets, including auctions, market microstructure, the roles of information and inventories, behavioral finance, market efficiency, risk, arbitrage, trading technology, trading regulation and ECNs Covers market and technology advances and innovations, such as execution algo trading, Designated Market Makers (DMMs), Supplemental Liquidity Providers (SLPs), and the Super Display Book system (SDBK)

Waiting (The Making of Riley Paige—Book 2) 2018-10-08 Blake Pierce "A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page." --Books and Movie Reviews, Roberto Mattos (re Once Gone) **WAITING (The Making of Riley Paige—Book Two)** is book #2 in a new psychological thriller series by #1 bestselling author Blake Pierce, whose free bestseller *Once Gone* (Book #1) has received over 1,000 five star reviews. Brilliant 22 year old FBI intern Riley Paige struggles to decode the riddles of the sadistic serial killer dubbed by media as the "clown killer"—but finds it all becomes too personal when she herself, targeted, is in a battle for her life. Recent college graduate Riley Paige is accepted into the prestigious FBI summer internship program, and is determined to make a name for herself. Exposed to many departments of the FBI, she thinks it will be a quiet summer—until a serial killer holds Washington by suspense. Dubbed the "clown killer," he dressed and paints his victims as clowns, and mocks the FBI with tantalizing riddles in the media. He leaves everyone to wonder: is he a clown himself? It seems that only Riley has the mind brilliant enough to decode the answers. And yet the journey into this killer's mind is too dark—and the battle too personal—for Riley to come out unscathed. Can she win this deadly game of cat and mouse? An action-packed thriller with heart-pounding suspense, **WAITING** is book #2 in a riveting new series that will leave you turning pages late into the night. It takes readers back 20 plus years—to how Riley's career began—and is the perfect complement to the *ONCE GONE* series (A Riley Paige Mystery), which includes 13 books and counting. Book #3 in *THE MAKING OF RILEY PAIGE* series is also now available!

Physics 2000 Eugene Hecht Hecht brings to bear the perspective of both historical concepts and contemporary physics. While the text

covers the standard range of material from kinematics to quantum physics, Hecht has carefully limited the math required to basic calculus and very basic vector analysis. He omits obscure, high-level topics while focusing on helping students understand the fundamental concepts of modern-day physics. Calculus and vector analysis are both painstakingly developed as tools, and then used only insofar as they illuminate the physics. Hecht deliberately paces comfortably, justifies where each topic is going, stops to take stock of where the students have been, and points out the marvelous unity of the discourse. Informed by a 20th century perspective and a commitment to providing a conceptual overview of the discipline, Hecht's *CALCULUS 2/e* keeps students involved and focused.

Gold Medal Physics 2010-01-01 John Eric Goff A physicist explains the science behind some of the greatest feats in sports history—from diving like Greg Louganis to bending it like Beckham. Nothing is quite as thrilling as watching superior athletes do the seemingly impossible. From Doug Flutie's "Hail Mary" pass to Lance Armstrong's record-breaking climb of Alp d'Huez to David Beckham's astounding ability to bend a soccer kick, we marvel and wonder, "How did they do that?" Well, physics professor John Eric Goff has the answers. In this scientific tour of the wide world of sports, John Eric Goff discusses the science behind American football, soccer, cycling, skating, diving, long jumping, and a host of other competitive sports. Using elite athletes as starting points, Goff explains the basic physical properties involved in amazing and everyday athletic endeavors. Accompanied by illustrations and mathematical equations, each chapter builds on knowledge imparted in earlier chapters to provide a firm understanding of the concepts involved. Fun, witty, and imbued throughout with admiration for the simple beauty of physics, *Gold Medal Physics* is sure to inspire readers to think differently about the next sporting event they watch.

Villain of Secrets 2021-11-30 L A Cotton USA Today and Wall Street Journal bestselling author L A Cotton's angsty college mafia romance series continues with Enzo Marchetti's story... Nora Abato is the kind of girl people gravitate to. Sassy. Selfless. Stubborn. She knows what she wants and she's determined to get it. And Nora wants her very own mafioso, the bad boy with a tortured soul who will do whatever it takes to protect his family. Enzo Marchetti is the kind of guy people run from. Rash. Reckless. Ruined. As the Marchetti crime family's new enforcer, he'd rather spend his days getting his hands dirty than thinking about the future, or the girl with fire in her eyes and fight in her heart. When a new enemy threatens the Marchetti empire, Enzo and Nora suddenly find themselves in close confines, and the undeniable connection between them is pushed to its limits. He can't resist the girl who sees past the darkness in his soul and she can't give up on the guy who has never been taught how to love. There's only one problem. Enzo isn't Nora's fairytale prince, he's the villain who will destroy her dream of a happily-ever-after. He'll break her... If she doesn't break him first. *Due to mature content that some readers may find distressing, this book is recommended for readers 18+
