The Miller College Reader 2017-03-01 George Miller This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Forming the building blocks you need for academic writing in any course. The Prentice Hall Reader helps you organize your writing around structural patterns and engage in these patterns by reading. These patterns help you organize your knowledge to see different ways in which information can be conveyed. Most commonly used in academic writing, the structural patterns will guide you through skills such as narration, description, classification, comparison, explanation, analysis, definition, and argument across all subject matter you may encounter in a classroom. These skills will extend to your academic work across subjects. The 12th Edition expands on previous editions with 43 essays. This includes 26 new essays, 11 written by students, and 27 that employ examples of the organizational strategies emphasized throughout the book, used in academic and literary texts, and visuals. Readings are chosen based on how well they demonstrate a particular pattern of organization, appeal to an audience of first-year students, and promote interesting discussion and writing activities.

The Wiley Blackwell Companion to Medical Sociology 2021-03-22 William C. Cockerham A comprehensive collection of original essays by leading medical sociologists from around the world, fully updated to reflect contemporary research and global health issues The Wiley Blackwell Companion to Medical Sociology is an authoritative overview of the most recent research, major theoretical approaches, and central issues and debates within the field. Bringing together contributions from an international team of leading scholars, this wide-ranging volume summarizes significant new developments and discusses a broad range of globally-relevant topics. The Companion's twenty-eight chapters contain timely, theoretically-informed coverage of the coronavirus pandemic and emerging diseases, bioethics, healthcare delivery systems, health disparities associated with migration, social class, gender, and race. It also explores mental health, the family, religion, and many other real-world health concerns. The most up-to-date and comprehensive single-volume reference on the key concepts and contemporary issues in medical sociology, this book: Presents thematically-organized essays by authors who are recognized experts in their fields Features new chapters reflecting state-of-the-art research and contemporary issues relevant to global health Covers vital topics such as current bioethical debates and the global effort to cope with the coronavirus pandemic Discusses the important relationship between culture and health in a global context Provide fresh perspectives on the sociology of the body, biomedicalization, health lifestyle theory, doctor-patient relations, and social capital and health The Wiley Blackwell Companion to Medical Sociology is essential reading for advanced undergraduate and graduate students in medical sociology, health studies, and health care, as well as for academics, researchers, and practitioners wanting to keep pace with new developments in the field.

The Prehistoric Earth 2008 Thom Holmes

Harry Potter and the Classical World 2015-07-06 Richard A. Spencer J.K. Rowling has drawn deeply from classical sources to inform and color her Harry Potter novels, with allusions ranging from the obvious to the obscure. "Fluffy," the vicious three-headed dog in Harry Potter and the Sorcerer's Stone, is clearly a repackaging of Cerberus, the hellhound of Greek and Roman mythology. But the significance of Rowling's quotation from Aeschylus at the front of Harry Potter and the Deathly Hallows is a matter of speculation. Her use of classical material is often presented with irony and humor. This extensive analysis of the Harry Potter series examines Rowling's wide range of allusion to classical characters and themes and her varied use of classical languages. Chapters discuss Harry and Narcissus, Dumbledore's many classical predecessors, Lord Voldemort's likeness to mythical figures, and magic in Harry Potter and classical antiquity--among many topics.

The City Reader 2015-07-16 Richard T. LeGates The sixth edition of the highly successful The City Reader juxtaposes the very best classic and contemporary writings on the city to provide the comprehensive mapping of the terrain of Urban Studies and Planning old and new. The City Reader is the anchor volume in the Routledge Urban Reader Series and is now integrated with all ten other titles in the series. This edition has been extensively updated and expanded to reflect the latest thinking in each of the disciplinary areas included and in topical areas such as compact cities, urban history, place making, sustainable urban development, globalization, cities and climate change, the world city network, the impact of technology on cities, resilient cities, cities in Africa and the Middle East, and urban theory. The new edition places greater emphasis on cities in the developing world, globalization and the global city system of the future. The plate sections have been revised and updated. Sixty generous selections are included: forty-four from the fifth edition, and sixteen new selections, including three newly written exclusively for The City Reader. The sixth edition keeps classic writings by authors such as Ebenezer Howard, Ernest W. Burgess, LeCorbusier, Lewis Mumford, Jane Jacobs, and Louis Wirth, as well as the best contemporary writings of, among others, Peter Hall, Manuel Castells, David Harvey, Saskia Sassen, and Kenneth Jackson. In addition to newly commissioned selections by Yasser Elshestawy, Peter Taylor, and Lawrence Vale, new selections in the sixth edition include writings by Aristotle, Peter Calthorpe, Alberto Camarillo, Filip DeBoech, Edward Glaeser, David Owen, Henri Pirenne, The Project for Public Spaces, Jonas Rabinovich and Joseph Lietman, Doug Saunders, and Bish Sanyal. The anthology features general and section introductions as well as individual introductions to the selected articles introducing the authors, providing context, relating the selection to other selection, and providing a bibliography for further study. The sixth edition includes fifty plates in four plate sections, substantially revised from the fifth edition.

Our Social World 2011-10-26 Jeanne H. Ballantine In this brief text, two leaders of the Teaching Sociology movement encourage students' development of their sociological imaginations through role-taking. Assuming the role of a child living in poverty in India or of a member of an African tribe, students learn to re-envision their global society. An innovative, integrated framework provides core sociological concepts, while features such as Contributing to Our Social World enable students to "do" public sociology. Our Social World: Condensed Version presents the perspective of students living in the larger global world.

The Reader, a review of literature, science, and art 1866-07

Catalog of Copyright Entries. Third Series 1963 Library of Congress. Copyright Office Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June)

The Bookseller 1865 Official organ of the book trade of the United Kingdom.

Schools and Society 2011-04-04 Jeanne H. Ballantine "This reader is designed to present a broad introduction to the field of Sociology of Education. It is geared toward upper-level undergraduate and beginning level graduate courses in Sociology of Education, Foundations of Education, and related courses. It may be used as a text by itself or as a supplement to another text. Articles have been selected based on the following criteria: 1.) Articles that illustrate a broad range of theoretical perspectives, major concepts, and current issues. 2.) Articles that provide a level of reading and sophistication appropriate to upper-level students. 3.) Articles from a wide range of respected sources. 4.) Inclusion of both classic and contemporary sociologists' work in order to provide an excellent balance"--

Professional Practice for Interior Designers 2013-08-26 Christine M. Piotrowski This updated edition of the most comprehensive business guide for designers covers the interior design profession in a clear and well-organized style. From establishing a practice to managing a project, the reader progresses through all aspects of the business, whether in a small or large firm. The new edition includes additional information on ethics, as well as a companion website containing sample forms and other resources. This book is recommended by the NCIDQ as preparation for their professional registration examination.

Our Social World 2011-04-25 Dr Jeanne H Ballantine The Third Edition of Our Social World: Introduction to Sociology is truly a coherent textbook that inspires students to develop their sociological imaginations, to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. Key Features: * Offers a strong global focus: A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world. * Illustrates the practical side of sociology: Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence. * Encourages critical thinking: Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology. * Presents "The Social World Model" in each chapter: This visually-compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts. New to the Third Edition: * Thirty new boxed features, including the innovative 'Engaging Sociology' and 'Applied Sociologists at Work' features * Three substantially reorganised chapters (2. Examining the Social World, 3. Society and Culture, and 13. Politics and Economics) * 315 entirely new references and 120 new photos.
