2013-06-26 Vikram Seth Acclaimed as one of the greatest novels of the last century, Vikram Seth's A Suitable Boy remains, twenty years after publication, one of the most entrancing and spellbinding works of fiction yet written. A love story as well as the tale of a country awakening from long years of colonial rule, it tells of Lata, and of her mother's exacting attempts to find her the perfect husband. It also recounts India's troubles shaping its own destiny as the country marches towards its first great General Election. It is a story that readers the world over can neither put down nor ever forget. 'Fiction on a grand scale. By the time you reach the last page you will have absorbed a splendid story, full of the tangle

and perfume of India.' Sunday Telegraph 'Vivid, evocative and beautifully written.' Literary Review 'No one, surely, could wish this novel shorter.

The greatness of the novel, its unassailable truthfulness, owes less to research than to imagination, an instinctive knowledge of the human heart.' Observer 'This novel, so vast and so amiably peopled, is a long, sweet, sleepless pilgrimage to life.' Guardian 'A phenomenon, a prodigy, a marvel of nineteenth-century style storytelling.' Evening Standard 'Seth is the best writer of his generation.' The Times

2008-07-02 Omprakash Valmiki Omprakash Valmiki describes his life as an untouchable, or Dalit, in the newly independent India of the 1950s. "Joothan" refers to scraps of food left on a plate, destined for the garbage or animals. India's untouchables have been forced to accept and eat joothan for centuries, and the word encapsulates the pain, humiliation, and poverty of a community forced to live at the bottom of India's social pyramid. Although untouchability was abolished in 1949, Dalits continued to face discrimination, economic deprivation, violence, and ridicule. Valmiki shares his heroic struggle to survive a preordained life of perpetual physical and mental persecution and his transformation into a speaking subject under the influence of the great Dalit political leader, B. R. Ambedkar. A document of the long-silenced and long-denied sufferings of the Dalits, Joothan is a major contribution to the archives of Dalit history and a manifesto for the revolutionary transformation of society and human consciousness.

2018-06-04 Leïla Choukroune This book analyses how multiple and hybrid 'modernities' have been shaped in colonial and postcolonial India from the lens of sociology and anthropology, literature, media and cultural studies, law and political economy. It discusses the ideas that shaped these modernities as well as the lived experience and practice of these modernities. The two broad foci in this book are: (a) The dynamism of modern institutions in India, delineating the specific ways in which ideas of modernity have come to define these institutions and how institutional innovations have shaped modernities; and (b) perspectives on everyday practices of modernities and the cultural constituents of being modern. This book provides an enriching read by bringing together original papers from diverse disciplines and from renowned as well as upcoming scholars.

2012 Bhāskara Mukhopādhyāya Drawing from recent theories of virtuality, performativity, and governmentality, and on post-colonial activist scholarship from the global south, this book presents a series of ethnographic and archival studies of what Mukhopadhyay terms 'vernacular globalisation' in India. The book's six provocative but substantive chapters of the book engage a wide range of events, objects, histories, narratives and episodes with the intent of interrogating what Franz Fanon called the 'zone of occult instability where the people dwell.' these chapters recount tales of quotidian commodity fetishism of rural cargo cults thriving on bazaar rumours about Chinese dumping in communist Calcutta, signpost desi cyberporn showcasing 'fat aunties' and Gandhi, dig deep into Indo-Persian travelogues about England and women's travel narratives to Japan embodying local traditions of cosmopolitanism, interrogate folk scroll paintings about 9/11 in the art historical mode and seek to uncover vernacular civic traditions of urbanism through an analysis of grotty slum photographs. The Rumour of Globalization presents facades of vernacular India negotiating globalising forces through a distinctive style of ethnography (fabulation) which is sensitive to subaltern political aspirations while maintaining a broad commitment to Marxist theory, Subaltern Studies scholarship and post-structuralist theory.

2008 Omprakashā Vālmiki This is an English translation of fifteen stories of the leading Hindi dalit writer, Omprakash Valmiki, best known for his autobiography Joothan. Together these stories vocalise the anguish and anger of the lowliest of the low in the caste hierarchy. More specifically, they deal with their sufferings at the hands of the dominant high castes and their questioning of their oppressors; their slender hopes and their small dreams; and their problems of identity as they try to make their way up the social and economic ladder. Omprakash Valmiki lists women of all classes among the dalits and there is a story in the collection that shows a high caste woman suffering at the hands of her male relatives. Softer emotions of love and longing are also not left out. Valmiki is acutely aware of the caste hierarchy among the dalits themselves and his story 'Shavayatra' makes for a deeply poignant reading. 'Amma' of the title is almost an epic tale of a dalit woman's resolve to keep her progeny away from the broom and the canister. At their best the stories are not merely dalit stories but a deeply human collection that will compel

attention, engage the sympathies of the readers and make them ask inconvenient questions. The stories will also add a new dimension to dalit discourse. The English translation is being published in the hope that the stories will reach a much wider audience and will sensitise readers to the travails of the dalits and their efforts to make a space for themselves, and help prepare the climate for social change.

2007-10-02 Anupama Chopra Here is the astonishing true story of Bollywood, a sweeping portrait about a country finding its identity, a movie industry that changed the face of India, and one man's struggle to become a star. Shah Rukh Khan's larger than life tale takes us through the colorful and idiosyncratic Bollywood movie industry, where fantastic dreams and outrageous obsessions share the spotlight with extortion, murder, and corruption. Shah Rukh Khan broke into this \$1.5 billion business despite the fact that it has always been controlled by a handful of legendary film families and sometimes funded by black market money. As a Muslim in a Hindu majority nation, exulting in classic Indian cultural values, Shah Rukh Khan has come to embody the aspirations and contradictions of a complicated culture tumbling headlong into American style capitalism. His story is the mirror to view the greater Indian story and the underbelly of the culture of Bollywood. "A bounty for cinema lovers everywhere." -- Mira Nair, Director, The Namesake and Monsoon Wedding "King of Bollywood is the all-singing, all-dancing back stage pass to Bollywood. Anupama Chopra chronicles the political and cultural story of India with finesse and insight, through fly-on-wall access to one of its biggest, most charming and charismatic stars." -- Gurinder Chadha, director of Bend it Like Beckham "The "Easy Rider Raging Bull" of the Bollywood industry and essential reading for any Shah Rukh Khan fan." -- Emma Thompson, actress "Anu Chopra infuses the pivotal moments of Shah Rukh Khan's life with an edge-of-your-seat tension worthy of the best Bollywood blockbusters." -- Kirkus

2019-12-06 Saswati Sengupta This book presents a feminist mapping of the articulation and suppression of female desire in Hindi films, which comprise one of modern India's most popular cultural narratives. It explores the lineament of evil and the corresponding closure of chastisement or domesticity that appear as necessary conditions for the representation of subversive female desire. The term 'bad' is used heuristically, and not as a moral or essential category, to examine some of the iconic disruptive women of Hindi cinema and to uncover the nexus between patriarchy and other hierarchies, such as class, caste and religion in these representations. The twenty-one essays examine the politics of female desire/s from the 1930s to the present day - both through in-depth analyses of single films and by tracing the typologies in multiple films. The essays are divided into five sections indicating the various gendered desires and rebellions that patriarchal society seeks to police, silence and domesticate.
