2021-07-10 Severic Severic Prints The Book Report Journal with templates is an excellent education resource for young children who are beginning to read longer stories and short books. The 25 template pages and 25 note pages help kids organize their summaries with sample questions to consider in the instructions. Children are encouraged to think about the sequence of events and to describe the highlights of the book or story they've finished reading. There is plenty of space to write each sentence taking into consideration the larger writing size of elementary school aged children. This template journal is a great tool for children who are beginning to learn about paragraph formation. The templates also include a comic strip section for children to draw and give a visual representation of a scene in the story they've read. Parents and educators can use the Book Report Journal as a home schooling resource, to complement a child's studies during the year, and for continued studies during summer and winter breaks. With the Book Report Journal, children can practice organization and express their creativity!

This journal contains 100 pages of story-board template paper, which parents, families or teachers can use to help children both draw and write their worries or stress down. The process of doing so will enable the child to express anxiety in a healthy, calm way, rather than it building up, which as we know can have harmful consequences. This journal can act as a protected, private space for kids to communicate their thoughts. It may also be useful for a child who has experienced bullying, to allow them to talk about

their experiences in writing, which can often be an easier outlet to do than talking. We would like to thank you for your interest in our item and very much hope you are satisfied with the order.

2018-05-11 Moito Publishing Few experiences are more magical than creating a new life and watching it grow in your body. Pregnancy is also a time of many physical and emotional transformations. A pregnant woman's life can be very exciting, disturbing and powerful. After pregnancy, nothing is ever the same. Celebrate and commemorate this special time before your baby is born by keeping a journal. We created our Pregnancy Journal to be: **VERSATILE AND PERSONAL**: A pregnancy journal is a place to collect your thoughts, feelings and experiences during pregnancy. Record the moments that take your breath away: the first kick, listening to your child's heartbeat or finding out the baby's gender! It will also serve as your checklist for things you have to prepare before the baby comes out. The best part? This planner becomes a memory book to look back on long after your "baby" is grown. It's the perfect journal to capture your pregnancy journey and a place to record your bump and scan photos. **USEFUL & CONVENIENT** - Keeping a diary while you're expecting can also assist you in focusing on the pregnancy. Putting pen to paper after meticulously collecting your thoughts is extremely rewarding during pregnancy. The best part about it is that you will always have a personal record of your pregnancy that you can later gift to your kids as well. Simple and easy to use, the pages are ready and waiting to be filled. It contains: 80 pages for 40 weeks (2 page/week) Extra pages: 1 name page 1 journal page 1 baby name ideas page 4 to do list 2 Things I have to prepare **A NOTEBOOK BUILT TO LAST**- We want your journal to last a long time so you can always look back on your previous entries without the worry that it will fall apart. The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. A perfect keepsake that you can always look back into when your baby is all grown up. **WELL-CRAFTED INTERIOR**- We only used thick, white paper to avoid ink bleed-through. The columns are clearly marked to make it easy to fill out and to cross reference. **PERFECT SIZE**- With its 20.3 x 24.4 cm (8" x 11") dimensions, almost the same width as A4 but shorter in height, you can squeeze it into a bag with ease. It's the perfect size- easy to carry! **COOL COVERS!**- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. We stand for quality and aim to provide the best writing experience with our notebooks. Use our Pregnancy Journal to write down your thoughts. 2019-11-09 Fresh Breeze This is a unique journal for kids and teenagers, allowing them the time to record their feelings each day. It's a guide to cultivate an attitude of gratitude! It is a self exploration journal designed to focus on being thankful for what we have, the big things in life, as well as the simple joys. Each well designed daily spread contains space to write 3 things you are thankful for each day of the week, and something awesome that happened today. Gratitude tasks have been scientifically proven to promote happiness. The simple act of using the journal is an 'analogue' time in an increasingly digital age. If the child starts each day by writing down three things he is thankful for a family, a favorite teacher, a good book - it begins each day on the right note. Let it do it everyday and make it a habit to focus on the blessings you have been given! Also get a copy for a friend who also has children so they can learn gratitude.
