based on nearly a decade of reporting. Hailed as "a dazzling achievement" (Los Angeles Times) and "riveting page-turner that explores desire, heartbreak, and infatuation in all its messy, complicated nuance" (The Washington Post), Lisa Taddeo's Three Women has captivated readers, booksellers, and critics—and topped bestseller lists—worldwide. In suburban Indiana we meet Lina, a homemaker and mother of two whose marriage, after a decade, has lost its passion. Starved for affection, Lina battles daily panic attacks and, after reconnecting with an old flame through social media, embarks on an affair that quickly becomes all-consuming. In North Dakota we meet Maggie, a seventeen-year-old high school student who allegedly has a clandestine physical relationship with her handsome, married English teacher; the ensuing criminal trial will turn their quiet community upside down. Finally, in an exclusive enclave of the Northeast, we meet Sloane—a gorgeous, successful, and refined restaurant owner—who is happily married to a man who likes to watch her have sex with other men and women. Based on years of immersive reporting and told with astonishing frankness and immediacy, Three Women is both a feat of journalism and a triumph of storytelling, brimming with nuance and empathy. "A work of deep observation, long conversations, and a kind of journalistic alchemy" (Kate Tuttle, NPR), Three Women introduces us to

three unforgettable women—and one remarkable writer—whose experiences remind us that we are not alone.

More Than a Woman 2020-09-03 Caitlin Moran THE SUNDAY TIMES NUMBER ONE BESTSELLER 'Exceptionally brilliant and powerful' Marina Hyde 'This book is a hilarious memoir, a passionate polemic, and a moving manifesto on how to be a decent person and try, in the face of countless stresses, to live a full open-hearted, joyous life' Sunday Times A decade ago, Caitlin Moran thought she had it all figured out. Her instant bestseller *How to Be a Woman* was a game-changing take on feminism, the patriarchy, and the general 'hoo-ha' of becoming a woman. Back then, she firmly believed 'the difficult bit' was over, and her forties were going to be a doddle. If only she had known: when middle age arrives, a whole new bunch of tough questions need answering. Why isn't there such a thing as a 'Mum Bod'? How did sex get boring? What are men really thinking? Where did all that stuff in the kitchen drawers come from? Can feminists have Botox? Why has wine turned against you? How can you tell the difference between a Teenage Micro-Breakdown, and The Real Thing? Has feminism gone too far? And, as always, WHO'S LOOKING AFTER THE CHILDREN? Now with ageing parents, teenage daughters, a bigger bum and a To-Do list without end, Caitlin Moran is back with *More Than A Woman*: a guide to growing older, a manifesto for change, and a celebration of all those middle-aged women who keep the world turning.

The Women of Troy 2022-09-06 Pat Barker A daring and timely feminist retelling of *The Iliad* from the perspective of the women of Troy who endured it—an extraordinary follow up to *The Silence of the Girls* from the Booker Prize-winning author of *The Regeneration Trilogy* and "one of contemporary literature's most thoughtful and compelling writers" (The Washington Post). Troy has fallen and the victorious Greeks are eager to return home with the spoils of an endless war—including the women of Troy themselves. They await a fair wind for the Aegean. It does not come, because the gods are offended. The body of King Priam lies unburied and desecrated, and so the victors remain in suspension, camped in the shadows of the city they destroyed as the coalition that held them together begins to unravel. Old feuds resurface and new suspicions and rivalries begin to fester. Largely unnoticed by her captors, the one time Trojan queen Briseis, formerly Achilles's slave, now belonging to his companion Alcimus, quietly takes in these developments. She forges alliances when she can, with Priam's aged wife the defiant Hecuba and with the disgraced soothsayer Calchas, all the while shrewdly seeking her path to revenge.
