1997 Jacqueline Morton

2023-09-14 Mary C. Christensen Do you want to have more meaningful conversations in French? Do you want to feel comfortable in a variety of situations? Based on authentic texts, such as newspaper articles, blogs, songs, poems, and conversations between native speakers, this course will help you improve and build upon the language you already have so that you develop your skills to a level where you can enjoy communicating in French. Incorporating information about the culture, history and geography of France and French-speaking countries, you will be introduced to the more advanced points of French grammar, as well as more colloquial language, and develop your vocabulary so you can express your opinion on a number of topics, as well as react to other people's opinions. What will I achieve by the end of the course? By the end of Enjoy French you will have increased your capacity to understand the spoken and written language, and furthered your ability to communicate with French speakers, orally and in writing. This course aims to take you from a good intermediate level (B1/B2 on the Common European Framework of Reference for languages / Advanced Low of the ACTFL) and help you progress up to a C1 / Advanced High level. Is this course for me? If you already know some French and want to take it further, this is the course for you. It's perfect for the self-study learner, with a one-to-one tutor, or for the post-beginner classroom. What do I get? A coursebook with over two hours of audio online that features: - Ten units that cover more complex situations than your basic tourist scenarios - Carefully levelled and sequenced material - a solid path to build up your knowledge - Insight into both France and the French overseas territories - Authentic texts, such as newspaper articles, blogs, poems, songs, excerpts and conversations to present the language - Learn through the Discovery Method which helps you notice patterns and retain the language you learn - Learn to learn - tips and advice on becoming a better language learner - Easy to use workbook format. What else can I use to learn French? If you require an absolute beginner course, you can try our Get Started in French. If you want a comprehensive beginner to intermediate course, you should try our

Complete French. Rely on Teach Yourself, trusted by language learners for over 75 years. 1999-06-17 Monique L'Huillier This 1999 reference grammar, written for advanced students of French, their teachers, and others who want a better understanding of the French language, combines the best of modern and traditional approaches. Its objective is not only practical mastery of the language, but familiarity with its structure. Taking into account modern linguistic research, Advanced French Grammar approaches the French language primarily through the study of syntactic structures, but without excessive emphasis on formalism. It provides a generous number of examples, based on the author's own experience of teaching French to English-speakers, to help the student to understand the different meanings of apparently similar syntactic alternatives. The norms of 'correct expression' are given together with current usage and deviations, and appendixes provide information on the 1990 spelling reforms and on numbers. A substantial index of French and English words and of topics provides easy access to the text itself.

2005-11 Steve Kaufmann *The Way of The Linguist, A language learning odyssey*. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that

will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

2014-05-13 Isabelle Fournier 'Determined to learn the language but no time for nightschool? 2017-07-23 Sylvain Galibert Do you want to learn French? This book walks you step by step through the basics you need to know in order to communicate in French, taking full advantage of your existing knowledge of English. - "How is English relevant?" The English language uses over 6,000 French words, words like "important", "table", "description", and thousands more. If your English is reasonably good, it's a safe bet that you already know about 3,000 French words. You don't know which ones, though. And it's not just vocabulary. French grammar is very similar to English's grammar. Learning French should be a breeze, but usually, it's not. This book validates your existing knowledge of French - a knowledge you didn't know you had - to help you Learn French, The Easy Way! All roads lead to Rome... but some are easier and faster! - How long does it take to go from London to Paris? Most people would say, "about 1 hour", because that's how long it takes if you take a direct flight out one of London's airports. Or if you're driving, it will take 6 hours on the shortest route. But on foot, without a map and traveling at random? It could take years and years, going through Moscow, LA, Uganda, Nicaragua, Brazil, Quebec... A lot of people wouldn't make it at all. Learning a language is a lot like that. You think you are on a straight path but chances are, that's not true. Most people end

up lost along the way and never actually learn more than a few set phrases, in spite of years of language studies in school. Going from London to Paris can take about an hour, but only if you take a direct flight. Most students think, "Ok, I'm going to learn French", and in their mind, it is all about how hard they study and how smart and how talented they are. It seldom occurs to them how big of an issue what they are studying is. Mostly, they just blame themselves, "well, I guess I am just not good at languages." Of course, you have to study, and some people have an easier time than others, but: Are you on a direct flight from London to Paris, or are you on foot and lost in the middle of some jungle with a lousy map and a compass that doesn't work properly? You could spend years studying French without ever learning to communicate in French. Case in point, the average English speaker knows thousands of French words... and yet the average English speaker sure can't speak French. Studying at random isn't going to help much. As long as you are missing the keys fundamentals of the French language, you will get no closer to speaking French. This book is designed to help you navigate through the fundamentals of the French language, step by step, in plain English. Buy this book and you will Learn French, The Easy Way!

2016-01-14 Collins Dictionaries A handy 3-in-1 French study book: grammar, verbs and vocabulary in one volume, ideal for beginners who need a clear and easy-to-understand French reference and revision guide.

2004-11-08 Daniel Calvez French Grammar helps language learners at every level navigate the intricacies of the French language. Designed to help you speak and write in French with greater confidence and precision, it avoids tedious memorization drills, focusing, instead, on patterns commonly found in contemporary French speech and writing. Chapters feature detailed presentations of forms and usages, clearly explained, along with lists, tables, and charts that offer at-a-glance summaries of the elements covered. This new edition includes 64 pages of exercises.

2015-06-14 Ernest Dimnet Excerpt from French Grammar Made Clear: For Use in American Schools This book was written for you - not for your teacher who has a large library of learned works, but for you. Every word of it was chosen, every typographical arrangement devised for you. You will notice that although in most cases examples are given first in English with the French translation after, the contrary order occasionally appears. This is not the result of arbitrariness but of the consideration of what you will sometimes prefer. Your needs were considered in everything. Some people contend that we can learn a language without learning the grammar of that language: they even say that we learn it better that way. In fact, there is no doubt that the quickest method for learning a language is to speak it with people who know it well, and the next quickest is to read good books written in that language. But you certainly know, in your own school, boys or girls who have learned French in Europe or with a French governess and who, nevertheless, surprise their teacher by their mistakes in speaking. And you probably know people who read French as easily as English but cannot write six lines in French correctly. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

2021-01-06 World Travel Institute Do you have a new client who speaks French, and you are not able to communicate properly? There are 20 engaging, funny, and surprising stories inside, which will allow you to learn how to have conversations in French quickly after listening to the book. When you hear the French language within context, you are able to apply what you learn much more easily than if you learned basic words and definitions. You will be able to converse with people as you learn how to form sentences and phrases, which you will find inside. Each sentence you will learn may be informative, or even silly, and contain other words, as well, which will continue to build your vocabulary. There really is no other way to learn a language quickly and for such a low cost. The best way to learn a language is through practice, and this book helps you do just that.

ROM: * Sound: recordings in British and American English, plus practice tools to help improve pronunciation * UNIQUE! Smart Thesaurus helps you choose the right word * QUICKfind looks up words for you while you are working or reading on screen * UNIQUE! SUPERwrite gives on screen help with grammar, spelling and collocation when you are writing * Hundreds of interactive exercises 2009 Harpercollins A new addition to the widely acclaimed Collins Easy Learning range, Collins Easy Learning Complete French is a handy 3-in-1 book: grammar, verbs and vocabulary in one volume, ideal for beginners wanting a clear and easy-to-understand French reference guide. Collins Easy Learning Complete French gives you the essential tools to help you progress quickly in your study of French. The grammar, verb and vocabulary sections have been designed for all those learning French at school, in an evening class, for work or for leisure. * Grammar: this section provides easily accessible information in an attractively presented layout. Key grammatical points are highlighted throughout the text as a means of reinforcement. Hundreds of examples of real French illustrate clearly the grammatical points being made. In addition, a full glossary gives clear and simple explanations of grammatical terminology. * Verbs: you will find 112 fully conjugated regular and irregular verbs in this section. Each is self contained in a double-page spread showing all the major tenses. Major constructions and idiomatic phrases are given for all verb models, as well as hundreds of examples of real French to show you how verbs are used in context. An index contains thousands of verbs which are cross-referred to their conjugation model. * Vocabulary: this handy section covering 50 topics (such as family, free time, careers, computing, education, food and drink, health, shopping) gives you all the vocabulary you need to communicate effectively in French. With its clear, user-friendly grammar, all the most important French verbs shown in full, and an extensive vocabulary guide, Collins Easy Learning Complete French gives you all the elements to start speaking and writing with confidence in French. Other titles available in the Collins Easy Learning French range are: Collins Easy Learning French Dictionary, Collins

Easy Learning French Grammar, Collins Easy Learning French Conversation, Collins Easy Learning French Verbs and Collins Easy Learning French Words.

2001 Roger Hawkins This book provides a jargon-free guide to the forms and structures of French as it is spoken and written in France. It represents a combination of reference grammar and a manual of current usage.

2021-07-04 Peter Roberts This book follows on from "FRENCH - Learn 35 WORDS to speak French". But it can be used as an independent book if you are already familiar with a limited vocabulary of French nouns. This book requires only 5% of the effort usually expended in learning French grammar and provides you with the facility to use the essential 35 VERBS to allow you to communicate your requirements in fluent holiday French with perfectly understandable pronunciation. By identifying what you really need to know for your holidays in France or in any other French-speaking

holiday destination, we turn a two-year study into a two-week study, with better results! You will be able to speak what you learn and communicate with French nationals, increasing your holiday fun and enjoyment immensely.

2021-08-15 Dylane Moreau Learn the French grammar with this easy French textbook full of examples and exercises! This course is divided into 7 chapters and includes 200 exercises and free video lessons for each point. The method is simple: start from a simple sentence and add slowly more elements to it. Then practice after each new element with one or more exercises.

2012-10-12 Jenny Russ Comprehensive and clear explanations of key grammar patterns and structures are reinforced and contextualized through authentic materials. You will not only learn how to construct grammar correctly, but when and where to use it so you sound natural and appropriate. German Grammar You Really Need to Know will help you gain the intuition you need to become a confident communicator in your new language.
