loved the little park in which she spent her afternoons reading and boarding, with it's Autumn Maple Blaze and the little kids laughing in the background. She even loved her school and, while she wasn't really close friends with any of the kids in her new class, neither was anyone really mean to her. Best of all, Shane was due a promotion at work. That meant they could move into a bigger apartment. And that... that meant she could finally get a dog! Things were going so well. Then the dead began to walk. The Dead Girl 2014-10-14 Melanie Thernstrom Melanie Thernstrom's

senior thesis was entitled Mistakes of Metaphor, an account of the mysterious disappearance and murder of her best friend, Bibi Lee. That thesis, reworked as The Dead Girl, was published by Pocket Books in 1990 to major critical acclaim. Berkeley student Roberta (Bibi) Lee went running with her lover Bradley Page on a Sunday in 1984. He came back alone. When she failed to return police mounted one of the largest missing-person searches in California history. Five weeks later Roberta's battered body was found and within hours, Page had confessed to Roberta's murder—a confession he was later to recant. With its enduring themes of innocence and evil, truth and uncertainty, human motives and emotions, The Dead Girl is a complex exploration of the nature of reality and the frail, shifting and suspect ways in which we respond to it.
