2007-10-09 Ellen Rosand "In this elegantly constructed study of the early decades of public opera, the conflicts and cooperation of poets, composers, managers, designers, and singers—producing the art form that was soon to sweep the world and that has been dominant ever since—are revealed in their first freshness."—Andrew Porter "This will be a standard work on the subject of the rise of Venetian opera for decades. Rosand has provided a decisive contribution to the reshaping of the entire subject. . . . She offers a profoundly new view of baroque opera based on a solid documentary and historical-critical foundation. The treatment of the artistic self-consciousness and professional activities of the librettists, impresarios, singers, and composers is exemplary, as is the examination of their reciprocal relations. This work will have a positive effect not only on studies of 17th-century, but on the history of opera in general."—Lorenzo Bianconi

2018-03 Stanley Stellar "Into the Light" is the title of Stanley Stellar's magnum opus: a history of the New York Pride Parade from the 1970s until today. The Brooklyn-born photographer (who belongs to the same generation as Robert Mapplethorpe) is a chronicler of the city that never sleeps, and - so it seems - his camera neither rested a single moment. As art collector and museum founder Charles Leslie put it, Stellar is „a living witness to the urban drama which spanned the years from 1969 to the present and his imagery reconfirms the centrality, in spite of everything, of eternal male beauty." A true treasure of cultural history, the photographs in this book not only reflect the individual people taking part in these parades but also give an idea of the social impact the gay movement had and has. Carefully

selected and accompanied with Stellar's own words, each photograph is an artifact of a special place during a special time: the hedonistic 70s, the devastating 80s after the rise of HIV/AIDS, the plastic 90s, and the new millenium until today. „Into the Light" is a unique contribution to gay history.

1879 Ethel Lynn Beers

2018-12-04 Kate Bush Selected and arranged by the author, and with a new introduction by novelist David Mitchell, How To Be Invisible presents the lyrics of Kate Bush published together for the first time. 'For millions around the world, Kate is way more than another singer-songwriter: she is a creator of musical companions that travel with you through life. One paradox about Kate is that while her lyrics are proudly idiosyncratic, those same lyrics evoke emotions and sensations that feel universal. Literature works in similar mysterious ways. Kate's the opposite of a confessional singer-songwriter ... You don't learn much about Kate from her songs. She's fond of masks and costumes - lyrically and literally - and of yarns, fabulations and atypical narrative viewpoints. Yet, these fiercely singular songs, which nobody else could have authored, are also maps of the heart, the psyche, the imagination. In other words, art.' David Mitchell

2014-04-08 Solomon Northup Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving

memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

2020-06 Seán Kissane Derek Jarman was a very English rebel, a maverick and radical artist whose unique and distinctive voice was

honed protesting against the strictures of life in post-war Britain. In an innovative practice that roamed freely across all varieties of media, Jarman refused to live and die quietly. He defined bohemian London life in the 1960s, exploded into queer punk in the 70s and with unbounded creative rage, ingenuity and sheer personal charm, he triumphed over an atmosphere of fear and ignorance in the age of AIDS to produce timeless, eloquent works of art which resonate still more strongly today. This major new publication offers a definitive overview of Derek Jarman's life and work. It covers all aspects of his oeuvre, from his features to his Super-8 films, his painting, design for theatre, poetry, gardening, memoir and political activism. Protest! contains excerpts from Jarman's own writings, short interviews with friends and collaborators and newly commissioned texts from a wide range of contributors including John Maybury, Peter Tatchell, Philip Hoare, Sir Norman Rosenthal and Olivia Laing. Generously illustrated with previously unseen images drawn from Jarman's personal archive and unseen works from all stages of his career, this book brings the reader fresh and surprising insights into the world of this much-loved artist.
