Get-Smart A Multi-Skill English Course Book for Class 2 2020-04-01 Leena Kapoor In conformity with the objectives and recommendations of the latest National Curriculum Framework, we have developed Get Smart—A Multi-skill English Language Course comprising Coursebooks for Primers A and B and Primary Classes (Grades 1 to 5), and Workbooks and Literature Readers for Primary Classes (Grades 1 to 5). This series adopts an

eclectic approach which keeps the child in the centre of learning and encourages teacher-student interaction as well as collaborative and experiential learning. This series follows the latest teaching-learning pedagogy and lays emphasis on the four language skills—listening, speaking, reading and writing—along with vocabulary and grammar. It combines the advantages of structural and communicative approaches. The universally accepted themes and language-learning activities have been blended for the progressive development of learning abilities, besides teaching life skills and values for the learner's holistic development. Special Features of the Coursebooks • Themes include a wide range of universally-accepted prose and poetry. • Warm Up comprises a hands-on exercise or activity having direct relevance to the theme of the text. • Use Word Check tests whether the

learners have understood the difficult words taught in the text. • Sum-up Text includes exercises covering textual questions that develop and test factual, inferential, evaluative and predictive understanding of the lesson. • Word Wise hones the pronunciation and vocabulary skills of the learners through a wide variety of topics. • Grammar Check consists of explanations and examples followed by exercises that not only help learners understand grammatical concepts but also apply them in various situations. • Listener's Lap develops the listening skills of the learners through interesting texts, short poems, anecdotes, etc. along with the exercises based on these texts. • Speaking Track paves the way for the learners to participate in dialogue, role-play, choral speaking and other activities to enhance their communicative skills. • Pen Down includes different types of creative

writing exercises used in everyday communication. • Finish Line at the end of every lesson, focuses on cooperative and collaborative activities that the learners may use in real-life situations Goyal Brothers Prakashan

English for Diplomatic Purposes 2016-05-19 Patricia Friedrich English is used in diplomatic contexts worldwide, including in situations where none of the interlocutors are native-speakers. This ground-breaking volume brings together the perspectives of researchers and practitioners to discuss the needs of those using and learning English for Diplomatic Purposes. Chapter authors use concepts from sociolinguistics, World Englishes, Peace Linguistics and English as a Lingua Franca. Combined with this theoretical background is a pragmatic understanding of the work of diplomacy and the realities of communication,

as well as exercises designed to help students, teachers and practicing diplomats reflect on, and develop, their language use. This book represents an important first step in the opening-up of English for Diplomatic Purposes as a distinct field of study and learning, and as such will be required reading for those working and studying in this area.

Neuropsychological Assessment 1995-03-02

Muriel Deutsch Lezak The 12 chapters in the second section contain nearly all of the tests and assessment techniques covered in the previous editions plus many additional ones, including newly developed neuropsychological tests, tests from other branches of psychology, research techniques that have only recently

been introduced into clinical neuropsychology, tests originating in Europe and elsewhere, and a few measures - as yet untried by neuropsychology - that appear to be potentially useful for neuropsychological purposes. Thus, the third edition of Neuropsychological Assessment maintains its multipurpose functions as an authoritative textbook, reference work, and practitioner's manual.
