The Animals at Lockwood Manor 2020 Jane Healey A debut novel for fans of Sarah Perry and Kate Morton: when a young woman is tasked with safeguarding a natural history collection as it is spirited out of London during World War II, she discovers her new manor home is a place of secrets and terror instead of protection. In August 1939, thirty-year-old Hetty Cartwright arrives at Lockwood Manor to oversee a natural history museum collection, whose contents have been taken out of London for safekeeping. She is unprepared for the scale of protecting her charges from party guests, wild animals, the elements, the tyrannical Major Lockwood and Luftwaffe bombs. Most of all, she is unprepared for the beautiful and haunted Lucy Lockwood. For Lucy, who has spent much of her life cloistered at Lockwood suffering from bad nerves, the arrival of the museum brings with it new freedoms. But it also resurfaces memories of her late mother, and nightmares in which Lucy roams Lockwood hunting for something she has lost. When the animals appear to move of their own accord, and exhibits go missing, they begin to wonder what exactly it is that they might need protection from. And as the disasters mount up, it is not only Hetty's future employment that is in danger, but her own sanity too. There's something, or someone, in the house. Someone stalking her through its darkened corridors . . .

Two Old Women 2004-06-29 Velma Wallis Based on an Athabaskan Indian legend passed along for many generations from mothers to daughters of the upper Yukon River Valley in Alaska, this is the suspenseful, shocking, ultimately inspirational tale of two old women abandoned by their tribe during a brutal winter famine. Though these women have been known to complain more than contribute, they now must either survive on their own or die trying. In simple but vivid detail, Velma Wallis depicts a landscape and way of life that are at once merciless and starkly beautiful. In her old women, she has created two heroines of steely determination whose story of betrayal, friendship, community and forgiveness "speaks straight to the heart with clarity, sweetness and wisdom" (Ursula K. Le Guin).

Translated into 16 languages, it went on to international success, quickly reaching bestseller status in Germany. To date, more than 350,000 copies have been sold worldwide. *Bird Girl and the Man Who Followed the Sun* follows in this bestselling tradition. Rooted in the ancient legends of Alaska's Athabaskan Indians, it tells the stories of two adventurers who decide to leave the safety of their respective tribes. Bird Girl is a headstrong young woman who learned early on the skills of a hunter. When told that she must end her forays and take up the traditional role of wife and mother, she defies her family's expectations and confidently takes off to brave life on her own. Daagoo is a dreamer, curious about the world beyond. Longing to know what happens to the sun in winter, he sets out on a quest to find the legendary "Land of the Sun." Their stories interweave and intersect as they each face the many dangers and challenges of life alone in the wilderness. In the end, both learn that the search for individualism often comes at a high price, but that it is a price well worth paying, for through this

quest comes the beginning of true wisdom.
