2014-11-27 Mark Forster Most people think of life as either something that happens to them or as something which they have to bend to their will. Life in short is seen as a series of problems requiring solutions. As a result people spend much of their lives either in escape activities or driving themselves to achieve, often both at the same time. But life becomes qualitatively different when we see it as a theatre in which we decide what is going to happen and then let it happen in the way that an artist will allow his or her creation to appear. This book is an example of the message that it teaches. Forster records methodically how he himself stopped struggling to work against his own feelings and to let his life happen. Exciting and inspiring, his own story with accompanying exercises for the reader prove the life-changing fact - that when we give priority to the workings of our unconscious minds we can trust them not to let us down.

2019-01-10 Bridgitte Lesley Without too much hesitation Amanda turned what could have been a very dull and boring show into an extravaganza. David didn't realize, but that is exactly what would happen to his life. The extravaganza was about to begin. David had to thank Amanda for the way she had saved the children's concert. Only that wasn't his only intention. He knew nothing about her and had never met her before. The feelings and emotions that she had stirred up on first sight made David realize that love at first sight was real. It did exist. He couldn't let her slip through his fingers. He had to do something. Their late night coffee date turned a little sour. Amanda was not an easy target or a push over. Their meeting did lead to their first date the following day. Amanda was drawn to David. She had also felt the emotions. They connected in every way possible. Neither David nor Amanda left things to chance. They were both direct and to the point. Their intentions were very clear. Their lives were about to change.

2004-09-01 George Anthony Oneiromancy is a self-help, inspirational book that can improve your life morally, financially and professionally. It will

put you in touch with a powerful, magical force within yourself, a force you probably didn't know you had. The sky's the limit when this internal force converts your wishes into realities through dreams. The Chinese developed this art form several thousand years ago. Master it, as they did, and you will find wealth, eliminate bad vibes others wish upon you, form permanent social relationships, develop peace of mind, succeed in academic life or business and subconsciously communicate with a loved one, living or deceased. And those are only a few wishes this art form can help you do for yourself. The author is the first to bring this once highly secretive divination to you in book form. It has separated many achievers from the ranks of so-called "losers," developed an array of people brimming with confidence from the ranks of the hopeless and taught people how to make their own success happen rather than wait for luck to enrich their lives.

2022-08-08 Barbara Cartland A shy English Rose blossoms into an exotic bird of paradise in this thrillingly romantic twist on the tale of Cinderella. That is, until she's whisked to Paris as her friend's lady's maid - and, on a crazy impulse, borrows a fabulous dress and a mask and slips unnoticed into a Venetian Masked Ball. As she's marvelling at the whirling waltzes, Chinese lanterns and glamorously costumed guests, a tall, handsome masked and cloaked man asks, 'Are you waiting for some laggard partner or have you just dropped down from the sky to bemuse us poor mortals?' Cinderella has gone to the ball! No longer 'Miss Nobody from Nowhere', she lives the dream, playing the part of a French Princesse and quickly finding her feet in the fashionable world... But just as quickly she loses her heart to her masked hero - and her impossible dream becomes a nightmare because her new life and love is all a lie.

2011-08 Cherryl Holliday 'Dreams Really Do Come True' is a light-hearted and sometimes serious collection of escapades that chart the journey to the fulfilment of Cherryl and Ian's dream. The dream? Not an original one by any means; to live on a narrowboat and explore the English canal system. Having champagne taste and beer money, a fully-fitted narrowboat was unaffordable. They had to draw on common sense and sheer tenacity to turn the dream into reality when they bought a 'project boat' and fitted her out over a period of time - not without its ups and down.

2018-03-17 Amanda Lopez Dreams are the gems of this world. This book blends collage art with dream quotes. While dream collages help us visualize the future, dream quotations show us that dreams come true. Polish your dreams; hold them up to the light. Dream until your dreams come true.

2014-10-28 Chuck Thomas Are you doing things your way and coming up short of your dreams? Give your dreams to God and let him do in you more than all you can ask or imagine (Ephesians. 3:20). God's plan for you is better than anything you could ever dream! Do dreams really come true? Each one of us may answer that question differently. But scripture says to ""seek first his Kingdom and righteousness"" (Matthew 6:33a). The problem: some of us don't seek God's face... we seek his hand, what he can do for us. The key: Are we willing to surrender our pain and hurt to get to a place where seeking God's face and is all we desire? When we get to that place, all our desires will line up with His dream for us and then we will go places and do things we never imagined. I dare you to dream: I challenge you to get to a place where all His dreams come true for you. ""No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him"" (1 Corinthians 2:9).
