2020-11-09 Yousaf Sadiq The metrical translation of the Psalms into the Punjabi language, set to indigenous music in the late nineteenth century in India, plays a vital role in the personal and communal worship of the global Punjabi Christian community. This book is a pioneer work that comprehensively encompasses the cultural, socio-historical, missional, and sociolinguistic aspects of the Punjabi Psalter. It investigates the unique and fascinating story of the contextualizing of Psalms in an exclusive South Asian Punjabi context and engages in an in-depth study

on the life and work of Rev. Dr. Imam-ud-Din Shahbaz. This work determines to bring a deeper appreciation for the Punjabi Psalter by encouraging the Punjabi Christians to not only pass the Psalms on to the next generations but also to grow in loving and valuing their mother-tongue, the Punjabi language. The thrust of this book is to esteem the shared heritage of the global Punjabi Christian community--the Psalms in Punjabi, commonly known as the Punjabi Zabur.

2016-12-26 Ogenga Otunnu This book demonstrates that societies experiencing prolonged and severe crises of legitimacy are prone to intense and persistent political violence. The most significant factor accounting for the persistence of intense political violence in Uganda is the severe crisis of legitimacy of the state, its institutions, political incumbents and their challengers. This crisis of legitimacy, which is shaped by both internal and external forces, past and present, accounts for the remarkable continuity in the history of political violence since the construction of the state.

2016-12-21 Anne Summers This book offers an entirely new contribution to the history of multiculturalism in Britain, 1880-1940. It shows how friendship and co-operation between Christian and Jewish women changed lives and, as the Second World War approached, actually saved them. The networks and relationships explored include the thousand-plus women from every district in Manchester who combined to send a letter of sympathy to the Frenchwoman at the heart of the Dreyfus Affair; the religious leagues for women's suffrage who initiated the first interfaith campaigning movement in British history; the collaborations, often problematic, on refugee relief in the 1930s; the close ties between the founder of Liberal Judaism in Britain, and the wife of the leader of the Labour Party, between the wealthy leader of the Zionist women's movement and a passionate socialist woman MP. A great variety of sources are thoughtfully interrogated, and concluding remarks address some of the social concerns of the present century.
