Music Theory and Composition 2018-01-26 Stephen C. Stone Music Theory and Composition: A Practical Approach presents a pragmatic, accessible approach to music theory through an emphasis on melody and counterpoint. This focus explains the "why" of musical construction more clearly than the traditional approach of beginning with chords. By starting with a single melodic line and gradually adding voices in counterpoint, the book drills part-writing while simultaneously explaining functionality, first with scale degrees and then with harmony. The text has students learn musical techniques and progressively build on their functions and importance to create their own compositions. With short, digestible chapters, Music Theory and Composition clearly presents otherwise complicated ideas not as strict rules, but as artistic ideals, encouraging the interactive creation of new compositions as a tool for learning. The textbook is versatile and easily customizable, suiting Different skill levels with species counterpoint providing a framework for the beginner while providing an interesting challenge for more experienced students Different curricular schedules with complete exercises in two, three, and four voices, allowing for an optional skip from two voices to four Different pedagogical approaches with species exercises encouraging students to consider harmonic choices and figured bass ensuring functional progressions Instructor Resources: Instructor's Manual: The Instructor's Manual includes sample syllabi and student handouts Test Bank: The test bank includes sample tests and answer keys in MS Word format. Student Resources: Companion Website with Downloadable Workbook Sections:

<http://textbooks.rowman.com/stone> Additional Features: complete curriculum for first-year theory courses over 500 musical examples drawn from Common Practice Era compositions as well as more contemporary and popular pieces focus on active composition throughout the text and workbook sections large pop music section to expand student's application of theory conversational tone to encourage student engagement Designed for first-year college music theory courses, but accessible enough for the interested lay reader or high school student, the text offers a true balance of counterpoint and harmony.

Montessori Madness 2009 Trevor Eissler "We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. *Montessori Madness!* explains why the incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book ask parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what educations should look like will never be the same"--Back cover.

Jews Who Rock 2016-09-27 Guy Oseary Foreword by Ben Stiller Afterword by Perry Farrell Jewish achievement in the sciences? Celebrated. Jews in literature? Lionized. But until now, there's been no record of the massive contributions of Jews in Rock n' Roll. *Jews Who Rock* features 100 top Jewish rockers, from Bob Dylan to Adam Horowitz, Courtney Love (yes, she's half Jewish) to John Zorn, with a concise page of essential data and a biography of each one. Includes the complete lyrics to "The Chanukah Song" by Adam Sandler

The English Teacher's Companion 2008 Jim Burke Teachers and teacher educators asked for: the latest research on literacy more information about national standards ways to consider gender in instruction advice for teaching Advanced Placement classes ideas for teaching media literacy and incorporating technology effectively into instruction even more resources for mentoring new teachers analysis of how trends in society, culture, and politics impact teachers and their classrooms. And Jim delivers. He has revamped his introductory chapters on literacy learning to include up-to-the-minute thinking from the field, and he has incorporated lists of key standards and helpful suggestions for reaching them. His practical strategies turn recent findings on literacy and gender into well-designed, research-based instruction, and his ideas help you meet the very different needs of AP students by understanding their goals and providing them with appropriate challenges.

The Paul McCartney Encyclopedia 2002 Bill Harry The Paul McCartney Encyclopedia is the most comprehensive book about Paul McCartney ever written. By best-selling author and Beatles expert Bill Harry, this A-Z of over half a million words will tell you everything you ever wanted to know about one of the greatest songwriters of the twentieth century. What is the truth behind his relationship with Yoko Ono? What was George Harrison's attitude toward him? Why did he decide to dissolve the Beatles? Did he and John Lennon come to a reconciliation? What was his opinion about taking LSD? What was Paul's life like behind bars in Japan? Why has his former council house become a shrine? With almost 2000 entries covering his family history from birth, his many love affairs, his opinions about drugs, his songs, records, concerts and honours bestowed upon him over the years, together with a full discography and bibliogaphy, this book is packed with new material and unique insights into the life of Paul McCartney. Over 2000 seperate entries and 500,000 words make this the definitive book on Paul McCartney. Bill Harry is the leading authority on the Beatles and founder of the music paper Mersey Beat, that helped launch the Beatles.

Mom 2001-11-28 Cathy Guisewite Cathy like a longtime friend who shares the same fears and frustrations as most women: the frightening sight of too-tight swimsuits in a dressing room mirror,

the relentless call of the refrigerator, and men who are never quite right. This gift book features one of Cathy's most popular subjects: Mom. This is a cartoon soul mate. Readers will find comfort, solace, and lots of laughs.

Twelve Years A Slave, Illustrated Edition 2014-04-08 Solomon Northup Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Hundred Block Rock 1999 Bud Osborn Bud Osborn's point of reference is the street of the disenfranchised - literally, the street corners bordered by Main and Hastings on Vancouver's notorious East Side, known as "Hundred Block Rock"--the poorest neighbourhood in Canada. While this area is well-known for its drug users, criminals, and prostitutes, it is also home to recovering addicts, single mothers, and those whom society has cast aside. As a poet who has known the nightmare of addiction and poverty himself, Bud Osborn sheds light on the unforgiving darkness of Hundred Block Rock, putting faces and names to those who somehow find ways and means to survive there. These poems are direct confessionals that speak valiantly and movingly of the community of the street: from detox centres and the wail of ambulance sirens to the poignant instances of junkies dancing in alleys, or the sound of jazz after midnight. They bring to life the squalid intensity of Hundred Block Rock, while at the same time articulating the redemptive spirit of survival that nurtures and sustains its habitués. Many of the poems in Hundred Block Rock are also featured on a CD available from Festival Distribution.

Bob Marley for Ukulele 2014-11-01 Bob Marley (Ukulele). Ya mon! 20 Marley favorites to strum on your uke, including: Buffalo Soldier * Could You Be Loved * Exodus * Get up Stand Up * I Shot the Sheriff * Jamming * Lively up Yourself * No Woman No Cry * One Love * Redemption Song * Stir It Up * Three Little Birds * and more.

Bruce Springsteen 2018-12-15 Chris Phillips A collection of Barry Schneier's photography from Bruce Springsteen's historic May 9, 1974 performance at the Harvard Square Theatre in Cambridge, MA, the very night he was deemed "rock and roll future" by rock critic (and future Springsteen manager) Jon Landau.

Tears for Water 2005-11-01 Alicia Keys From acclaimed musician Alicia Keys, author of the memoir *More Myself*, comes a revealing songbook of collected poems and lyrics that document her growth as a person, a woman, and an artist. "All my life, I've written these words with no thought or intention of sharing them. Not even with my confidants. These are my most delicate thoughts. The ones that I wrote down just so I could understand what in the world these things I was thinking meant..." When she burst onto the music scene with her multi-million bestselling, Grammy® Award-winning first album, *Songs in A Minor*, Alicia Keys became a superstar. Two decades later, her career has expanded into producing, acting, and passionate activism—winning her worldwide acclaim, numerous awards, and a spot on Time's list of "The 100 Most Influential People." Though Alicia has been very vocal through her career, there were always "delicate thoughts" that she never before imagined she'd share with anyone else—until now. In *Tears for Water*, Alicia Keys opens the journals and notebooks that she has kept throughout her life and reveals her heart to her fans in return for all the love they have shown to her and her music. Hello morning now I see you cause I am awake What was once so sweet and secure has turned out to be fake Girl, you can't be scared gotta stand up tall and let 'em see what shines in you Push aside the part lying in your heart like the ocean is deep, dark and blue —from *Golden Child*
