1992 Barbara J. Sample

1992 Shirley A. Brod Crossroads follows a carefully integrated syllabus based on competencies and grammatical objectives.

2016-01-28 Stephen King Two short stories from the "Crossroads" series that will help keep you entertained late into the night. Discover the bright imagination, suspense, thrilling drama, picturesque visions, and the first look into the true meaning of the "Crossroads" series message.

2021-10-05 Jonathan Franzen 'His best novel yet ... A Middlemarch-like triumph' Telegraph

2010-07-01 Kate Elliott For hundreds of years the Guardians ruled the Hundred, but these unearthly beings have faded from human sight and no longer exert their will on the world. Only the reeves, patrolling from the skies, still represent the Guardians' power. But there is a corruption in the land that not even they can control, and fanatics are devastating villages, towns, and cities, slaughtering all who oppose them.

Outlanders Anji and Mai are fleeing their homeland with a company of dedicated warriors. On reaching the Hundred, they form an alliance with Reeve Joss, and determine to stand against the devouring horde. But, as region after region slips into chaos, a young woman sworn to the Goddess may be all that keeps them from annihilation . . . A haunting tale of individuals swept up by the chaos of war, this is fantasy adventure at its best - rich in texture, filled with colour and excitement.

2022-03-16 Amos Edelheit This book offers a fresh account of one of the remarkable figures in the Renaissance, Giovanni Pico della Mirandola (1463-1494), by focusing on a neglected aspect of his work; his reading of scholasticism and its reception in the fifteenth century.

2010-07-20 Robert Jordan Now a major TV series on Prime Video The tenth novel in the Wheel of Time series - one of the most influential and popular fantasy epics ever published. Fleeing from Ebou Dar with the kidnapped Daughter of the Nine Moons, Mat Cauthon learns that he can neither keep her nor let her go, for both the Shadow and the might of the Seanchan empire are now in deadly pursuit. At Tar Valon, Egwene al'Vere lays siege to the White Tower. She must win quickly, with as little bloodshed as possible, for unless the Aes Sedai are reunited only the male Asha'man will remain to defend the world against the Dark One. Meanwhile, Rand al'Thor must gamble again, with himself at stake - not knowing which of his allies are really enemies. 'Epic in every sense' Sunday Times 'With the Wheel of Time, Jordan has come to dominate the world that Tolkien began to reveal' New York Times '[The] huge ambitious Wheel of Time series helped redefine the genre' George R. R. Martin 'A fantasy phenomenon' SFX The Wheel of Time series: Book 1: The Eye of the World Book 2: The Great Hunt Book 3: The Dragon Reborn Book 4: The Shadow Rising Book 5: The Fires of Heaven Book 6: Lord of Chaos Book 7: A Crown of Swords Book 8: The Path of Daggers Book 9: Winter's Heart Book 10: Crossroads of Twilight Book 11: Knife of Dreams Book 12: The Gathering Storm Book 13: Towers of Midnight Book 14: A Memory of Light Prequel: New Spring Look out for the companion book: The World of Robert Jordan's The Wheel of Time

2018-09-05 Tatjana Hramova Crossroads is the series of course books for advanced learners of Russian who want to take their communication skills to the next level with an emphasis on reading, speaking and vocabulary. The course covers the language skills and vocabulary needed for the major global Russian-language exams, such as A-Level and IB. Each unit includes the list of words with English translations, three texts, exercises, useful phrases and tables that, through comparison with English, will help memorizing high-level vocabulary. The course book can be used to study with a teacher (in a group or individually). The second volume of Crossroads concentrates on the topic of health, fitness and healthy lifestyle. Inside are 6 units that include 18 readings of different length and complexity on topics such as sport, food, health issues, smoking, drugs and more.

2017-12-18 Georges Tamer The art of interpreting Holy Scriptures flourished throughout the culturally heterogeneous pre-modern Orient among Jews, Christians and Muslims. Different ways of interpretation developed within each religion not without considering the others. How were the interactions and how productive were they for the further development of these traditions? Have there been blurred spaces of scholarly activity that transcended sectarian borders? What was the role played by mutual influences in profiling the own tradition against the others? These and other related questions are critically treated in the present volume.

2014-04-03 Georges Simenon NOW A MAJOR ITV DRAMA A new translation of Georges Simenon's sensational tale of deceit and back-stabbing in an isolated community, book six in the new Penguin Maigret series. 'She came forward, the outlines of her figure blurred in the half-light. She came forward like a film star, or rather like the ideal woman in an adolescent's dream. 'I gather you wish to talk to me, Inspector . . . but first of all please sit down . . .' Her accent was more pronounced than Carl's. Her voice sang, dropping on the last syllable of the longer words.' Maigret has been interrogating Carl Andersen for seventeen hours without a confession. He's either innocent or a very good liar. So why was the body of a diamond merchant found at his isolated mansion? Why is his sister always shut away in her room? And why does everyone at Three Widows Crossroads have something to hide? Penguin is publishing the entire series of Maigret novels in new translations. This novel has been published in previous translations as Maigret at the Crossroads and The Crossroad Murders. 'Compelling, remorseless, brilliant' John Gray 'One of the greatest writers of the twentieth century . . . Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories' Guardian 'A supreme writer . . . unforgettable vividness' Independent

2016-06-22 Todd Mcfarlane The triumphant return of the original Spawn, Al Simmons. Al is back and faces his biggest challenge yet saving the woman he loves from the clutches of Satan himself. Collects SPAWN #256-262

2020-07-08 Ryder, Andrew This book dissects the complex social, cultural and political factors which led the UK to take its decision to leave the EU and examines the far-reaching consequences of that decision. Developing the conceptual framework of securitization, Ryder innovatively uses primary sources and a focus on rhetoric to examine the ways that political elites engineered a politics of fear, insecurity and Brexit nationalism before and after the Brexit vote. He situates Brexit within a wider shift in international political ideas, traces the resurgence in popularity of far-right politics and explores how Britain and Europe now face a choice between further neoliberal reform or radical democratic and social renewal.

2018-09-04 Alexandra Diaz Winner of the International Latino Book Award "An incredibly heartfelt depiction of immigrants and refugees in a land full of uncertainty." —Kirkus Reviews "Insightful, realistic picture...especially important reading for today's children." —Booklist "Fans of The Only Road will appreciate...while teachers and librarians may find the text useful to counter unsubstantiated myths about Central Americans fleeing to the US." —School Library Journal Jaime and Ángela discover what it means to be living as undocumented immigrants in the United States in this timely sequel to the Pura Belpré Honor Book The Only Road. After crossing Mexico into the United States, Jaime Rivera thinks the worst is over. Starting a new school can't be that bad. Except it is, and not just because he can barely speak English. While his cousin Ángela fits in quickly, with new friends and after-school activities, Jaime struggles with even the idea of calling this strange place "home." His real home is with his parents, abuela, and the rest of the family; not here where cacti and cattle outnumber people, where he can no longer be himself—a boy from Guatemala. When bad news arrives from his parents back home, feelings of helplessness and guilt gnaw at Jaime. Gang violence in Guatemala means he can't return home, but he's not sure if he wants to stay either. The US is not the great place everyone said it would be, especially if you're sin papeles—undocumented—like Jaime. When things look bleak, hope arrives from unexpected places: a quiet boy on the bus, a music teacher, an old ranch hand. With his sketchbook always close by, Jaime uses his drawings to show what it means to be a true citizen. Powerful and moving, this touching sequel to The Only Road explores overcoming homesickness, finding ways to connect despite a language barrier, and discovering what it means to start over in a new place that alternates between being wonderful and completely unwelcoming.

2003-01-01 Antonio Barcelona Metaphor and Metonymy at the Crossroads is a collection of essays, most of them written from a cognitive linguistics standpoint by leading specialists in the fields of conceptual metaphor and metonymy, and conceptual integration (blending). The book has two main goals. One of them is to discuss in new, provocative ways the nature of these conceptual mappings in English and their interaction. The other goal is to explore by means of several detailed case studies the central role of these mappings in English. The studies are, thus, concerned with the operation of metaphor and metonymy in discourse, including literary discourse or with the effect of metaphorical and/or metonymic mappings on

some aspects of linguistic structure, be it polysemy or grammar. The book is of interest to students and researchers in English and linguistics, English literature, cognitive psychology and cognitive science.

2008-07-15 Jim Baker In this fully updated, second edition of *Crossroads*, Jim Baker adds two new chapters that bring Malaysia and Singapore into the middle of the first decade of the 21st century. The original text (which traces the complex currents of history and politics of Malaysia and Singapore—neighbours with a common past) is also revised to re-evaluate events in the context of an expanded history. “Jim Baker’s *Crossroads* is bound to raise more than a few eyebrows in more than a few quarters. His book presents a side of history not many may be aware of or even want to know ... it is as thought-provoking as it is enlightening.” — *The Sun* (on the first edition). “Baker’s thrilling book profits from his refusal to separate Singapore’s history from Malaysia’s. What we get is a broad story filled with surprising details drawn from his own experiences and from other scholarly works, and told in an easy and captivating style.” — Dr Ooi Kee Beng, Fellow at the Institute of Southeast Asian Studies, Singapore

2009-12-03 Kate Elliott Reeve Joss is struggling to defend a country ravaged by the assaults of twin armies. His men now patrol a land of burning villages and homeless refugees as Joss tries to separate traitor from friend. The Reeve's thoughts are also plagued by the intriguing Zubaidit, pleasure-giver, spy and temple-trained assassin. But Zubaidit is focused on a dangerous mission, her target being warped Guardian Lord Radas. His death would leave the invading militia in chaos, but the old tales tell truly of the Guardians' immortality - and of the powers they now wield to twist the hearts of men. Joss's nights are also troubled, disturbed by dreams of Marit. His lost love has returned from death to become a feared Guardian herself, but Marit rejected the corrupt temptations they offered. She now seeks others of her kind, praying some are yet uncontaminated by the blight on the land - and have the will to fight it.

2019-09-06 Jacqui Murray Driven from her home. Stalked by enemies. Now her closest ally may be a traitor. "Bravo Jacqui! A fine read and meticulous research." -- Sue Harrison, author of the acclaimed Ivory Carver Trilogy, Xhosa flees what she had hoped would be her new home after being attacked by invaders from the North. She leads her People on a grueling journey through unknown and dangerous lands of what we now call Europe. As she struggles to overcome strangers around her and disruptions within her People, Xhosa faces the reality that her most dangerous enemy may not be the one she expected. It may be one she has trusted with her life. The story is set 850,000 years ago, a time in prehistory when man populated most of Eurasia. He was a violent species, fully capable of addressing the many hardships that threatened his survival except for one: future man, a smarter version of himself, one destined to obliterate any who came before. Based on a true story, this is an unforgettable saga of hardship and determination, conflict and passion as early man spreads across Eurasia. Xhosa must regularly do the impossible which is good because nothing less than the future of mankind is at stake

2013 Sara K. Barker The importance of 'Renaissance Cultural Crossroads' lies in its appreciation and promotion of the multi-faceted reach of translation in Britain from the arrival of printing until the outbreak of the civil war, highlighting the impressive number and wide variety of works translated.

2021-03-16 Kaleb Dahlgren An inspiring story of hope and resiliency On April 6, 2018, sixteen people died and thirteen others were injured after a bus taking the Humboldt Broncos junior hockey team to a playoff game collided with a transport truck in a rural intersection. The tragedy moved millions of people to leave hockey sticks by their front door to show sympathy and support for the Broncos. People from more than eighty countries pledged millions of dollars to families whose relatives had been directly involved in the accident. *Crossroads* is the story of Kaleb Dahlgren, a young man who survived the bus crash and faced life after the tragedy with resiliency and positivity. In this chronicle of his time with the Broncos and the loving community of Humboldt, Saskatchewan, Dahlgren takes a hard look at his experience of unprecedented loss, but also revels in the overwhelming response and outpouring of love from across Canada and around the world. But this book also goes much deeper, revealing the adversity Dahlgren faced long before his time in Humboldt and his inspiring journey since the accident. From a childhood spent learning to live with type 1 diabetes to his remarkable recovery from severe brain trauma that astounded medical professionals, Dahlgren documents a life of perseverance, gratitude and hope in the wake of enormous obstacles and life-altering tragedy. The author will donate a portion of his proceeds from this book to STARS (Shock Trauma Air Rescue Service).

2012-01-30 Bonnie G. Smith *Crossroads and Cultures: A History of the World's Peoples* incorporates the best current cultural history into a fresh and original narrative that connects global patterns of development with life on the ground. As the title, “*Crossroads*,” suggests, this new synthesis highlights the places and times where people exchanged goods and commodities, shared innovations and ideas, waged war and spread disease, and in doing so joined their lives to the broad sweep of global history. Students benefit from a strong pedagogical design, abundant maps and images, and special features that heighten the narrative’s attention to the lives and voices of the world’s peoples. Test drive a chapter today. Find out how.

2014-03-23 Mary Ting Protecting her from the fallen was his duty. Falling in love was never part of his plan. Loving her was forbidden. Being with her was all that mattered, even if it meant he would be exiled for all eternity. Claudia Emerson's life is about to change when her good friend, who coincidentally shares the same first and last name, dies in a tragic accident. Distraught at the loss of her friend, Claudia's dreams become tumultuous, and through them she mysteriously travels to another world called *Crossroads*. There, she unexpectedly meets Michael, a nephilim--half angel, half human. Now that she's been there, fallen and demons are after her, suspecting she must be special, and it is up to Michael and the other nephilim to protect her. Her dream becomes a nightmare as more secrets are revealed about who she really is, and the true identities of the people she loves most.

2015-07-22 Riley Hart After divorcing the woman he'd been with since he was seventeen, Nick Fuller is starting over. He owns the restaurant of his dreams and he's determined to meet new people, find new passions, and experience life to its fullest. His new neighbor, Bryce Tanner, is all about a good time. He plans to help Nick meet a few women, and enjoy the gift of the single life. Soon they realize they'd rather be together than with anyone else. Neither man has ever wanted another guy, but there's a connection between them from the start, and soon they're navigating an unfamiliar new world and dealing with unforeseen obstacles. Will they follow the easy path they've always followed, or the one that's determined to trip them up at every turn?

2016-10-04 Alexandra Diaz "Twelve-year-old Jaime makes the treacherous journey from his home in Guatemala to his older brother in New Mexico after his cousin is murdered by a drug cartel"--

2012-11-05 Jacek Fabiszak The book contains a selection of papers focusing on the idea of crossing boundaries in literary and cultural texts composed in English. The authors come from different methodological schools and analyse texts coming from different periods and cultures, trying to find common ground (the theme of the volume) between the apparently generically and temporarily varied works and phenomena. In this way, a plethora of perspectives is offered, perspectives which represent a high standard both in terms of theoretical reflection and in-depth analysis of selected texts. Consequently, the volume is addressed to a wide scope of both scholars and students working in the field of English and American literary and cultural studies; furthermore, it will be of interest also to students interested in theoretical issues linked with investigations into literature and culture.

2019-10-03 Joanna Toye War brings changes three friends could never foresee... 'Highly recommended' Anna Jacobs 'A warm domestic drama' *People's Friend*

2018-05-28 Winifred Franklin 'Crossroads' is an up close and personal true story of Winifred's life. It takes you through her amazing experiences of growing up in England; with various accounts of her life in early childhood and her youthful romance. Winifred, tells of the hardships endured by the many struggling families during the depression years and World War 2. The subsequent effects had a substantial impact, not only on her life, but on the people all around her. This book is set to become a 20th Century sensation, for not only is it a literary gem, it also is of great historical value, for the scholar and for those interested in what life was like living in Britain during the 1930's and 1940's. It would certainly make for a great mini-series for its depiction of the various characters created from that era.

2018-05-18 Mrs Winifred Franklin *J Crossroads* is an up close and personal true story of Winifred's life. It takes you through her amazing experiences of growing up in England; with various accounts of her life in early childhood and her youthful romance; as well as the hardships endure by the many struggling families during the depression years and World War 2. The subsequent effects had a substantial impact not only on her life but on the people all around her. This book is unusual as it incorporates her supernatural

experiences, of being taken aboard an alien space craft as a young child roaming the English countryside. It is set to become a 20th Century sensation, for not only is it a literary gem, but it also has great historical value for those interested in what life was like for a struggling family living in Britain during the 1930's and 1940's. It would certainly make for a great mini-series for its depiction of the various characters created from that era.

2002-09-12 James M. McPherson The Battle of Antietam, fought on September 17, 1862, was the bloodiest single day in American history, with more than 6,000 soldiers killed--four times the number lost on D-Day, and twice the number killed in the September 11th terrorist attacks. In *Crossroads of Freedom*, America's most eminent Civil War historian, James M. McPherson, paints a masterful account of this pivotal battle, the events that led up to it, and its aftermath. As McPherson shows, by September 1862 the survival of the United States was in doubt. The Union had suffered a string of defeats, and Robert E. Lee's army was in Maryland, poised to threaten Washington. The British government was openly talking of recognizing the Confederacy and brokering a peace between North and South. Northern armies and voters were demoralized. And Lincoln had shelved his proposed edict of emancipation months before, waiting for a victory that had not come--that some thought would never come. Both Confederate and Union troops knew the war was at a crossroads, that they were marching toward a decisive battle. It came along the ridges and in the woods and cornfields between Antietam Creek and the Potomac River. Valor, misjudgment, and astonishing coincidence all played a role in the outcome. McPherson vividly describes a day of savage fighting in locales that became forever famous--The Cornfield, the Dunkard Church, the West Woods, and Bloody Lane. Lee's battered army escaped to fight another day, but Antietam was a critical victory for the Union. It restored morale in the North and kept Lincoln's party in control of Congress. It crushed Confederate hopes of British intervention. And it freed Lincoln to deliver the Emancipation Proclamation, which instantly changed the character of the war. McPherson brilliantly weaves these strands of diplomatic, political, and military history into a compact, swift-moving narrative that shows why America's bloodiest day is, indeed, a turning point in our history.

2022-08-02 Angus Robertson "From the Congress of Vienna to the Austria World Summit, the city of Vienna has hosted key meetings on peace to climate action. This is a first-class book about Vienna as the crossroads of civilization and as the international capital." —Arnold Schwarzenegger A rich and illuminating history of the world capital that has transformed art, culture, and politics. Vienna is unique amongst world capitals in its consistent international importance over the centuries. From the ascent of the Habsburgs as Europe's leading dynasty to the Congress of Vienna, which reordered Europe in the wake of Napoleon's downfall, to bridge-building summits during the Cold War, Vienna has been the scene of key moments in world history. Scores of pivotal figures were influenced by their time in Vienna, including: Empress Maria Theresa, Count Metternich, Bertha von Suttner, Theodore Herzl, Gustav Mahler, Adolf Hitler, Josef Stalin, John F. Kennedy, and many others. In a city of great composers, artists, and thinkers, it is here that both the most positive and destructive ideas of recent history have developed. From its time as the capital of an imperial superpower, through war, dissolution, dictatorship to democracy Vienna has reinvented itself and its relevance to the rest of the world.

2014 Andebrhan Welde Giorgis I congratulate Andebrhan Welde Giorgis on his high quality and extremely informative book that has not only the merit to be an update on the political situation in Eritrea but also asks the pertinent questions on the future of his marvelous country. He does it with tact and success, based on his long experience as freedom fighter, as senior public servant, as Ambassador and his rich experience of Africa. Each country in Africa must be able to determine its own future. Freedom, responsibility, control over its destiny, and solidarity, are the key ideas of the new vision for international cooperation that will help ensure the sustainability of the development process. The urgent need to create a democratic government resonates throughout the book. Good governance, respect for human rights, principles of democracy, and rule of law are essential universal values underpinning it. Andebrhan is one of those men, visionaries, and open to dialogue, reform and change. Eritrea at a Crossroads is key to understanding the challenges facing Eritrea and Africa. It is an eye opener on a complex and little understood crisis that is festering in Africa and holding the continent back. The book provides a solid intellectual foundation to understanding the region and will give anyone who wants to build a better future for Africa a great starting

point. I congratulate him on this most valuable book which finds its place among all the lovers of Africa. Louis Michel Member of European Parliament, European Commissioner for Development and Humanitarian Aid (2004-2009) and Foreign Minister of Belgium (1999-2004) Freedom fighter, scholar, central banker, diplomat, and now unhappy exile, no-one could be better placed than Andebrhan Welde Giorgis to trace Eritrea's distressing slide from triumph to tragedy. It's a harrowing story, but the author tells it comprehensively, objectively and lucidly in this excellent study. The future can be rescued, as Andebrhan makes clear, but only if the past is understood, and the present confronted -- by decent, concerned Eritreans, acting with the moral, political and economic support of the wider international community. May his voice be heard. Gareth Evans Chancellor, Australian National University; President, International Crisis Group (2000-09) and Foreign Minister of Australia (1988-96)

2018-06-15 Igor Kovač This book is a translation and celebration of Slovenian politician France Bučar's seminal work. Divided into two parts, the book first contains several studies of Bučar's arguments. As Bučar applied his system theory to a variety of issues, so too the conglomerate of scholars and issues critically assessed is interdisciplinary, ranging from political science and economics, to law and philosophy, as well as to natural sciences. The contributors and the questions of their essays in the edited volume are as follows. Peter Verovsek (University of Sheffield) examines different branches of Critical Theory and classifies Bučar within them. Mark Hamilton (Inter-American Defense College) discusses system dynamics of Bučar's system theory. Urška Velikonja (Georgetown University) applies Bučar's system theory to the question of the ethics, rules, and regulations in financial economics. Finally, Matej Drev (Georgia Institute of Technology) connects Bučar to the issue of artificial intelligence and inequality. The second part is the English translation of Bučar's book *At A New Crossroads*, which addresses the role of ethics in society. Bučar normatively redefines national identity as the crux of his novel understanding of ethics. Using system theory, he addresses the problems of globalization and governance, presenting a post-modern synthesis of the logic of free flow of capital and global citizenship, with national and cultural identity. Speaking to contemporary society, he shows how society and ethical life are reproduced. Bučar provides the reader with new tools to think about national identity and global politics. Bringing an important work on ethics, government, and identity to an entirely new readership, this book will appeal to a broad academic audience, namely students and practitioners in the fields of economics, social sciences, and humanities.

2015-04-07 Elle Luna There are two paths in life: Should & Must. We arrive at this crossroads over and over again, and every day. And we get to choose. Starting out or starting over, making a career change or making a life change, the most life-affirming thing you can do is to honor the voice inside that says your have something special to give, and then heed the call and act. Many have traveled this road before. Here's how you can, too. #choosemust An inspirational gift book for every recent graduate, every artist, every seeker, and every career change.

2016-02-10 Stephen King Three more short stories from Stephen King's "Crossroads" series that will help keep you entertained late into the night. Discover the bright imagination, suspense, thrilling drama, picturesque visions, and a deeper look into the true landscape of the "Crossroads" series.

2016-02-09 Riley Hart Rod Nelson is used to being someone's good time, and that's fine with him. Spending his days at his adult toy store, Rods-N-Ends he never knows who he'll meet. The second Landon Harrison walks in, he has Rod's full attention. It seems as if Landon wants him too, so why won't the man jump in the sack with him already? But flings between friends are never simple, and as they attempt to shift gears, diving into their first relationship, they're slammed with setbacks. If they want to truly move forward, before they hit the open road together, they're going to have to let go of a past that could make them crash and burn.

2018 Stijn De Cauwer Critical Theory at a Crossroads presents conversations with prominent theorists about the crises that have marked the past years and the use of the term "crisis" in political discourse. They offer their views on contemporary challenges and how we might address them, candidly discussing the alternatives that new social movements have offered.

2021-09-21 Eric Clapton 'These guitars have been really good tools; they're not just museum pieces. They all have a soul and they all come alive.' - Eric Clapton 'In his own words, Clapton tells his story through the history of his instruments.' - Rolling Stone In *Six-String Stories* Eric Clapton reflects on a legendary career

as told through the tools of his trade: his guitars. Collected together here for the first time are the instruments Clapton sold in three record-breaking auctions between 1999 and 2011 to benefit the Crossroads treatment centre he founded in 1998. Featuring some of the most iconic guitars ever played, Clapton guides the reader through nearly 300 instruments as he discusses their provenance, reveals insights about his own playing, and shares anecdotes from each chapter of his spectacular life in music. 'One by one these guitars were the chapters of my life. They belong to a very well-loved family.' - Eric Clapton Six-String Stories presents a 'family tree' that makes connections between iconic instruments, such as Clapton's famous 'Blackie' Stratocaster, and previously unknown rarities, placing them in the chronology of his career. Clapton recalls the instruments he bought to emulate his heroes, the guitars with unknown origins that became their own legend, the ones that never left his side, and the legacy they left behind. Every piece has been individually photographed, revealing every curve, detail and scratch, while the work of over 80 of the world's best rock photographers shows the instruments in play. See Clapton's evolution

from the psychedelic Sixties, through the stripped-back Seventies, electric Eighties, and unplugged Nineties, right up to the sale of the last guitar. 'As an avid rock or blues fan, I would look at all the pictures in this book.' - Eric Clapton Historical and technical information for each piece in the collection - including playlists and concert dates for those instruments used on records and at public appearances - completes the story behind each guitar. 'The guitars are things of great beauty.' - Eric Clapton
2016-02-10 Stephen King Three more short stories from the Stephen King "Crossroads" series that will help keep you entertained late into the night. Discover the bright imagination, suspense, thrilling drama, picturesque visions, and the third look into the true meaning of the "Crossroads" series message.
2003 Jonathan Franzen Dying St. Louis is turned inside-out by the appointment of a charismatic young woman from Bombay as police chief, an act which launches the city's prominent citizens into political conspiracy. Franzen's first novel is already a classic of contemporary fiction.
