Characters in Fictional Worlds 2011-01-01 Jens Eder Although fictional characters have long dominated the reception of literature, films, television programs, comics, and other media products, only recently have they begun to attract their due attention in literary and media theory. The book systematically surveys today's diverse and at times conflicting theoretical perspectives on fictional character, spanning research on topics such as the differences between fictional characters and real persons, the ontological status of characters, the strategies of their representation and characterization, the psychology of their reception, as well as their specific forms and constellations in - and across - different media, from the book to the internet.

Spectacular Bodies 2000-01-01 Martin Kemp "Illustrated and with essays by Martin Kemp, Spectacular Bodies reveals a new way of seeing ourselves."--BOOK JACKET.

Clues, Myths, and the Historical Method

2013-10-15 Carlo Ginzburg Carlo Ginzburg considers how we assign historical context to events. More than twenty years after Clues, Myths, and the Historical Method was first published in English, this extraordinary collection remains a classic. The book brings together essays about Renaissance witchcraft, National Socialism, sixteenth-century Italian painting, Freud's wolf-man, and other topics. In the influential centerpiece of the volume Carlo Ginzburg places historical knowledge in a long tradition of cognitive practices and shows how a research strategy based on reading clues and traces embedded in the historical record reveals otherwise hidden information. Acknowledging his debt to art history, psychoanalysis, comparative religion, and anthropology, Ginzburg challenges us to retrieve cultural and social dimensions beyond disciplinary boundaries. In his new preface, Ginzburg reflects on how easily we miss the context in which we read, write, and live. Only hindsight allows some understanding. He examines his own path in research during the

1970s and its relationship to the times, especially the political scenes of Italy and Germany. Was he influenced by the environment, he asks himself, and if so, how? Ginzburg uses his own experience to examine the elusive and constantly evolving nature of history and historical research.

The Book of Fantasy 1988 Jorge Luis Borges

Reading the Vampire 2002-08-27 Ken Gelder Insatiable bloodlust, dangerous sexualities, the horror of the undead, uncharted Transylvanian wildernesses, and a morbid fascination with the 'other': the legend of the vampire continues to haunt popular imagination. Reading the Vampire examines the vampire in all its various manifestations and cultural meanings. Ken Gelder investigates vampire narratives in literature and in film, from early vampire stories like Sheridan Le Fanu's 'lesbian vampire' tale Carmilla and Bram Stoker's Dracula, the most famous vampire narrative of all, to contemporary American vampire blockbusters by Stephen King and others, the vampire chronicles of Anne Rice, 'post-Ceausescu' vampire narratives, and films such as FW Murnau's Nosferatu and Bram Stoker's Dracula. Reading the Vampire embeds vampires in their cultural contexts, showing vampire narratives feeding off the anxieties and fascinations of their times: from the nineteenth century perils of tourism, issues of colonialism and national identity, and obsessions with sex and death, to the 'queer' identity of the vampire or current vampiric metaphors for dangerous exchanges of bodily fluids and AIDS.

Powers of Darkness 2017-02-07 Bram Stoker An English translation of a recently discovered Icelandic adaptation of Bram Stoker's classic novel "Dracula" includes new characters, a re-worked plot, and annotations that provide literary, cultural, and historical context.

The Magicians of the Golden Dawn 1985 Ellic Howe

Juan de la Rosa 1999-04-29 Nataniel Aguirre Long considered a classic in Bolivia, Juan de la Rosa tells the story of a young boy's coming of age during the violent and tumultuous years of Bolivia's struggle for independence. Indeed, in this remarkable novel, Juan's search for his personal identity functions as an allegory of Bolivia's search for its identity as a nation. Set in the early 1800s, the novel is narrated by one of the last surviving Bolivian rebels, octogenarian Juan de la Rosa. Juan recreates his childhood in the rebellious town of Cochabamba, and with it a large cast of full bodied, Dickensian characters both heroic and malevolent. The larger cultural dislocations brought about by Bolivia's political upheaval are echoed in those experienced by Juan, whose mother's untimely death sets off a chain of unpredictable events that propel him into the fiery crucible of the South American Independence Movement. Outraged by Juan's outspokenness against Spanish rule and his awakening political consciousness, his loyalist guardians banish him to the countryside, where he witnesses firsthand the Spaniards' violent repression and rebels' valiant resistance that

crystallize both his personal destiny and that of his country. In Sergio Gabriel Waisman's fluid translation, English readers have access to Juan de la Rosa for the very first time.

On the Edge 2016-07-07 Rafael Chirbes The acclaimed novel of Spain's economic crisis - a timely masterpiece. Under a weak winter sun in small-town Spain, a man discovers a rotting corpse in a marsh. It's a despairing town filled with half-finished housing developments and unemployment, a place defeated by the burst of the economic bubble. Stuck in the same town is Esteban, his small factory bankrupt, his investments gone, the sole carer to his mute, invalid father. As Esteban's disappointment and fury lead him to form a dramatic plan to reverse financial ruin, other voices float up from the wreckage. Stories of loss twist together to form a kaleidoscopic image of Spain's crisis. And the corpse in the marsh is just one. Chirbes's rhythmic, torrential style creates a Spanish masterpiece for our age.

The Count of Monte Cristo 2020-09-28 Alexandre Dumas On the 24th of February, 1815, the look-out at Notre-Dame de la Garde signalled the three-master, the Pharaon from Smyrna, Trieste, and Naples. As usual, a pilot put off immediately, and rounding the Chateau d'If, got on board the vessel between Cape Morgion and Rion island. Immediately, and according to custom, the ramparts of Fort Saint-Jean were covered with spectators; it is always an event at Marseilles for a ship to come into port, especially when this ship, like the Pharaon, has been built, rigged, and laden at the old Phocée docks, and belongs to an owner of the city. The ship drew on and had safely passed the strait, which some volcanic shock has made between the Calasareigne and Jaros islands; had doubled Pomegue, and approached the harbor under topsails, jib, and spanker, but so slowly and sedately that the idlers, with that instinct which is the forerunner of evil, asked one another what misfortune could have happened on board. However, those experienced in navigation saw plainly that if any accident had occurred, it was not to the vessel herself, for she bore down with all the evidence of being skilfully handled, the anchor a-cockbill, the jib-boom guys already eased off, and standing by the side of the pilot, who was steering the Pharaon towards the narrow entrance of the inner port, was a young man, who, with activity and vigilant eye, watched every motion of the ship, and repeated each direction of the pilot. The vague disquietude which prevailed among the spectators had so much affected one of the crowd that he did not await the arrival of the vessel in harbor, but jumping into a small skiff, desired to be pulled alongside the Pharaon, which he reached as she rounded into La Reserve basin. When the young man on board saw this person approach, he left his station by the pilot, and, hat in hand, leaned over the ship's bulwarks. He was a fine, tall, slim young fellow of eighteen or twenty, with black eyes, and hair as dark as a raven's wing; and his whole appearance bespoke that calmness and resolution peculiar to men accustomed from their cradle to contend with danger.

Otherness in Hispanic Culture 2014-06-26

Teresa Fernandez Ulloa This book addresses contemporary discourses on a wide variety of topics related to the ideological and epistemological changes of the 19th, 20th and 21st centuries, and the ways in which they have shaped the Spanish language and cultural manifestations in both Spain and Hispanic America. The majority of the chapters are concerned with 'otherness' in its various dimensions; the alien Other - foreign, immigrant, ethnically different, disempowered, female or minor - as well as the Other of different sexual orientation and/or ideology. Following Octavio Paz, otherness is expressed as the attempt to find the lost object of desire, the frustrating endeavour of the androgynous Plato wishing to embrace the other half of Zeus, who in his wrath, tore off from him. Otherness compels human beings to search for the complement from which they were severed. Thus a male joins a female, his other half, the only half that not only fills him but which allows him to return to the unity and reconciliation which is restored in its own perfection, formerly altered by divine will. As a result of this transformation, one can annul the distance that keeps us away from that which, not being our own, turns into a source of anguish. The clashing diversity of all things requires the human predisposition to accept that which is different. Such a predisposition is an expression of epistemological, ethical and political aperture. The disposition to co-exist with the different is imagined in the de-anthropocentricization of the bonds with all living realms. And otherness is, in some way, the reflection of sameness (mismidad). The other is closely related to the self, because the vision of the other implies a reflection about the self; it implies, consciously or not, a relationship with the self. These topics are addressed in this book from an interdisciplinary perspective, encompassing arts, humanities and social sciences.

"Chatter" 1993 Peter Fenves This book shows that in "chatter" Kierkegaard uncovered a specifically linguistic mode of negativity, which became the medium in which a non-speculative and non-historicism presentation of history could be carried out. The author examines in detail those writings of Kierkegaard in which he undertook complex negotiations with the threat—and also the promise—of "chatter."

30 Days of Night 2005 Steve Niles The world of the undead is a vast one, with many stories remaining to be told. In Bloodsucker Tales, Steve Niles continues the saga of 30 Days of Night with the bloody and terrifying story "Dead Billy Dead," illustrated by talented newcomer Kody Chamberlain. Matt Fraction (Last of the Independents) joins in with "Juarez," introducing Lex Nova, former private detective and free-range madman, illustrated by Ben Templesmith.

The Lion Book of Fairy Tales 2015-05-15 Julia Stone "This collection of some of the best-loved tales in the world makes a perfect gift. It

is a delight to read and will surely find its place among the treasured books of childhood."--Back cover.

[Dora García. Peep-Hole Sheet. Ediz. multilingue 2009 A. Daneri](#)

[Almodóvar on Almodóvar 2007-02-20 Pedro Almodovar](#) Pedro Almodóvar's films—such as *Women on the Verge of a Nervous Breakdown*, *Tie Me Up! Tie Me Down!*, *All About My Mother*, and *Talk to Her*, to name a few—are colorful and deeply felt celebrations of life and love. The influence of these works, which have been feted around the world, has been immense, and Almodóvar on Almodóvar tells the personal story of the man and his wonderfully vivid and outrageous vision. Almodóvar came of age during an austere time in rural Spain: the 1950s, the age of the Cold War, of mambo, of Balenciaga, of the Korean War, of the Hungarian Revolution, of the death of Stalin. But none of these events bore any impact on his village. In response, Almodóvar proceeded to carve for himself a unique niche in contemporary cinema with films bursting with vibrant energy and vivid, primary colors—each frame saturated with passions,

releasing a pure, visual, visceral emotion. In these frank and passionate conversations, Almodóvar discusses his astonishing life and career with a humor that is distinctly his own.

[A Discovery of Witches 2011-02-08 Deborah Harkness](#) NOW A MAJOR SKY TV SERIES. THE NUMBER ONE INTERNATIONAL AND SUNDAY TIMES BESTSELLER. A *Discovery of Witches* is the first novel in the must-read ALL SOULS series. It begins with absence and desire. It begins with blood and fear. It begins with a discovery of witches. --- A world of witches, daemons and vampires. A manuscript which holds the secrets of their past and the key to their future. Diana and Matthew - the forbidden love at the heart of it. When historian Diana Bishop opens an alchemical manuscript in the Bodleian Library, it's an unwelcome intrusion of magic into her carefully ordered life. Though Diana is a witch of impeccable lineage, the violent death of her parents while she was still a child convinced her that human fear is more potent than any witchcraft. Now Diana has unwittingly exposed herself to a world she's kept at bay for years; one of powerful witches, creative, destructive

daemons and long-lived vampires. Sensing the significance of Diana's discovery, the creatures gather in Oxford, among them the enigmatic Matthew Clairmont, a vampire geneticist. Diana is inexplicably drawn to Matthew and, in a shadowy world of half-truths and old enmities, ties herself to him without fully understanding the ancient line they are crossing. As they begin to unlock the secrets of the manuscript and their feelings for each other deepen, so the fragile balance of peace unravels... Fall under the spell of Diana and Matthew in the stunning first volume of the No.1 internationally bestselling ALL SOULS series. --- Five reasons to read *A Discovery of Witches* and the All Souls series: 'Rich, thrilling . . . A captivating and romantic ripping yarn' E L James 'Intelligent and off-the-wall . . . irresistible to Twilight fans' Sunday Times 'I could lose myself in here and never want to come out . . . Utterly enchanting on every level' Manda Scott 'Exciting amounts of spells, kisses and battles, and is recounted with enchanting, page-turning panache' Marie Claire 'A bubbling cauldron of illicit desire . . . an assured saga that blends romance with fantasy' Daily Mail
