If you ally infatuation such a referred **Faith And Fear In Flushing An Intense Personal Hi** book that will offer you worth, acquire the agreed best seller from us currently from several preferred authors. If you want to hilarious books, lots of novels, tale, jokes, and more fictions collections are afterward launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all book collections Faith And Fear In Flushing An Intense Personal Hi that we will certainly offer. It is not roughly the costs. Its very nearly what you obsession currently. This Faith And Fear In Flushing An Intense Personal Hi, as one of the most effective sellers here will utterly be in the middle of the best options to review.

2010-04-05 Gary Cohen The New York Mets fan is an Amazin' creature whose species finds its voice at last in Greg W. Prince's Faith and Fear in Flushing, the definitive account of what it means to root for and live through the machinations of an endlessly fascinating if often frustrating baseball team. Prince, co-author of the highly regarded blog of the same name, examines how the life of the franchise mirrors the life of its fans, particularly his own. Unabashedly and unapologetically, Prince stands up for all Mets fans and, by proxy, sports fans everywhere in exploring how we root, why we take it so seriously, and what it all means. What was it like to enter a baseball world about to be ruled by the Mets in 1969? To understand intrinsically that You Gotta Believe? To overcome the trade of an idol and the dissolution of a roster? To hope hard for a comeback and then receive it in thrilling fashion in 1986? To experience the constant ups and downs the Mets would dispense for the next two decades? To put ups with the Yankees right next door? To make the psychic journey from Shea Stadium to Citi Field? To sort the myths from the realities? Greg Prince, as he has done for thousands of loyal Faith and Fear in Flushing readers daily since 2005, puts it all in perspective as only he can.

2009-04-01 Greg W. Prince The New York Mets fan is an Amazin' creature whose species finds its voice at last in Greg Prince's Faith and Fear In Flushing, the definitive account of what it means to root for and live through the machinations of an endlessly fascinating if often frustrating baseball team. Prince, coauthor of the highly regarded blog of the same name, examines how the life of the franchise mirrors the life of its fans, particularly his own. Unabashedly and unapologetically, Prince stands up for all Mets fans and, by proxy, sports fans everywhere in exploring how we root, why we take it so seriously, and what it all means. What was it like to enter a baseball world about to be ruled by the Mets in 1969? To understand intrinsically that You Gotta Believe? To overcome the trade of an idol and the dissolution of a roster? To hope hard for a comeback and then receive it in thrilling fashion in 1986? To experience the constant ups and downs the Mets would dispense for the next two decades? To put ups with the Yankees right next door? To make the psychic journey from Shea Stadium to Citi Field? To sort the myths from the realities? Greg Prince, as he has done for thousands of loyal Faith and Fear in Flushing readers daily since 2005, puts it all in perspective as only he can.

2011-08-08 Linda E. Swayne This four-volume set introduces, on the management side, principles and procedures of economics, budgeting and finance; leadership; governance; communication; business law and ethics; and human resources practices; all in the sports context. On the marketing side this reference resource explores two broad streams: marketing of sport and of sport-related products (promoting a particular team or selling

team- and sport-related merchandise, for example), and using sports as a platform for marketing non-sports products, such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament. Together, these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today, providing an invaluable print or online resource for student researchers.

2013-03-21 Matthew Silverman Interest and attendance were dropping, and football was ascending. Stuck in a rut, baseball was dying. Then Steinbrenner bought the Yankees, a second-division club with wife-swapping pitchers, leaving the House That Ruth Built not with a slam but a simper. He vowed not to interfere—before soon changing his mind. Across town, Tom Seaver led the Mets' stellar pitching line-up, and iconic outfielder Willie Mays was preparing to say goodbye. For months, the Mets, under Yogi Berra, couldn't get it right. Meanwhile, the A's were breaking a ban on facial hair while maverick owner Charlie Finley was fighting to keep them underpaid. But beneath the muttonchops and mayhem, lay another world. Elvis commanded a larger audience than the Apollo landings. A Dodge Dart cost \$2,800, gas was a quarter per gallon. A fiscal crisis loomed; Vietnam had ended, the vice president resigned, and Watergate had taken over. It was one of the most exciting years in the game's history, the first with the designated hitter and the last before arbitration and free agency. The two World Series opponents went head-to-head above the baby steps of a dynasty that soon dwarfed both league champions. It was a turbulent time for the country and the game, neither of which would ever be the same again.

2017-03-14 Greg W. Prince A franchise and fan base in perpetual search of validation finally had its ticket punched as 2016 dawned. Mike Piazza, who held records in one hand and a city's rapt attention in the other, gained election to the Hall of Fame. Within weeks of this long-awaited announcement, the ballclub with whom he chose to cast his eternal lot, the New York Mets, made a date to retire his number. In *Piazza: Catcher, Slugger, Icon, Star*, Greg W. Prince—cocreator of *Faith and Fear in Flushing*, "the blog for Mets fans who like to read," and author of *Amazin' Again*, the story of the 2015 National League champions—explores the parallel paths Piazza and the Mets set out on in the early 1990s and how their individual journeys merged into a mutual quest for transcendence. From marriage of convenience to lifetime bond to a state of baseball grace reached only once before in team history, Piazza examines how the stranger from Los Angeles became New York's favorite son and why Mets fans continued to rally to Piazza's cause years after he took his final swing for them.

2020-02-24 Brian Wright Let's say you're the manager of one of the most beloved franchises in Major League Baseball, with every past and current player available on your bench. Game time is approaching and the ump needs your line-up card. Who's your starting pitcher? Fireballer Dwight Gooden, lights-out Tom Seaver, or run-stingy Jacob de Grom? Is Gary Carter behind the plate or Mike Piazza? Who'll bat clean-up? Combining statistical analysis, common sense, and a host of intangibles, Brian Wright constructs an all-time All-Star Mets line-up for the ages. Agree with his choices or not, you'll learn all there is to know about the men who played for and managed New York's *Amazin' Mets*.

2016-05-01 Matthew Silverman Relive the games, moves, and players of the hard-hitting team that won the 1986 World Series. Vin Scully called the tenth-inning groundball in Game Six of the 1986 World Series—Mets versus Red Sox—that sealed a comeback, fueled a curse, and turned a batting champion into a scapegoat. But getting there was a long, hard slog with plenty of heartache. After being knocked out of contention the previous two seasons, the Mets blasted through the National League that year. They won blowouts, nailbiters, fights, and a 14-inning game that ended with one pitcher on the mound, another in right field, and an All-Star catcher playing third base. Matt Silverman covers famous baseball players including: Ron Darling, Dwight Gooden, Keith Hernandez, Darryl Strawberry and more. Going beyond the partying and excess, Silverman recounts in this book, step by step, the team's meteoric rise in 1986, when they captured their first division title in over a decade, shattered the franchise record, and then won it all.

2011-12-27 Bruce Markusen In 75 years of existence, the New York Mets have experienced almost every phase of success and failure that can be encountered by a major league team. Written by veteran baseball author Bruce Markusen, *Tales from the New York Mets Dugout* relives some of the favorite moments in Mets history while also telling an array of little-known stories about the players. Stand on the mound with Tom Seaver, watch from the dugout with Davey Johnson, and kneel in front of the umpire with Hall of Famer Gary Carter. *Tales from the New York Mets Dugout* is the perfect book for anyone who believes in something *amazin'*.

2016-03-15 Greg W. Prince They were coming off a seemingly endless string of losing records. They were considered years away from legitimate contention. They were derided and disregarded as a matter of course. But in 2015 the New York Mets changed their course and changed their story. The result was the best kind of *amazin'*. Against all expectations, these Mets surged from the starting gate, hung tough when adversity threatened to overwhelm their budding chances, and fortified themselves for a stretch drive few could have foreseen. In short order, they proceeded to capture a division title, raise a pennant, and lay claim to the heart of their city. With an unforgettable cast of characters including Matt Harvey, David Wright, Jacob deGrom, Yoenis Cespedes, and Daniel Murphy, the tale of the 2015 National League champion New York Mets is told for the ages in *Amazin' Again*. Author Greg Prince—cocreator of *Faith and Fear in Flushing*, the blog that has distilled the heart and soul of Mets fandom for more than a decade—traces the trajectory of this championship season, from its roots in a long-ago amateur draft to its climax within the cauldron of Citi Field's first World Series. In between, Prince re-creates the emotions of a year that culminated in the Mets making New York their kind of town once again. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

2012-04-01 Janet Paskin *Tales from the 1962 New York Mets Dugout* chronicles the adventures, mishaps, and unforgettable stories as the New York Mets burst onto the baseball scene. From the team's first win, in its 10th game of the season, to its last loss, which ended with the Mets grounding into a triple play, *Tales from the 1962 New York Mets Dugout* recaptures that spectacle of a season, with stories from those who lost and lived to tell the tale. A must-have for any baseball fan!

2012-11-01 Greg W. Prince The team that's lived a life like no other finally receives the epic retelling it deserves. From the author of the beloved Mets fan memoir *FAITH AND FEAR IN FLUSHING* comes *THE HAPPIEST RECAP*, a four-volume history of the New York Mets wherein the half-century saga of baseball's most *Amazin'* franchise unfolds through its 500 biggest, best and most magnificent on-field triumphs. "First Base," the series' initial volume, commences with the birth of the Metsies in 1962, follows every step of the path that leads to their Miracle championship of 1969 and guides us through the *You Gotta Believe* drama of 1973. In between, we experience the Met wins in which records were set, legends were created and moments that will last forever first saw light. Relive the stories you know with a new twist. Discover the stories you've never heard. Feel once more the Met presence of Casey Stengel, Gil Hodges and Bob Murphy. Thrill to the exploits of Tom Seaver, Willie Mays and Tug McGraw. Spend a few minutes, too, with the Hooks and the Harknesses, the Hunts and the Hickmans, the MacKenzies and the Millers and the Ribants, Rustecks and Rohrs. Unlike most team histories, *THE HAPPIEST RECAP* views the 50-year journey of the New York Mets the way its most loving and loyal fans have: relishing all the joyous Met wins and marveling at all the memorable Met personalities.

2011-03-16 Matthew Silverman The history of the New York Mets is presented with pictures and accounts of their greatest players and teams.

2018-05-15 Keith Hernandez Legendary first baseman Keith Hernandez tells all in this gripping literary memoir and New York Times bestseller. Keith Hernandez revolutionized the role of first baseman. During his illustrious career with the World Series-winning St. Louis Cardinals and New York Mets, he was a perennial fan favorite, earning eleven consecutive Gold Gloves, a National League co-MVP Award, and a batting title. But it was his unique blend of intelligence, humor, and talent -- not to mention his unflappable leadership, playful antics, and competitive temperament -- that

transcended the sport and propelled him to a level of renown that few other athletes have achieved, including his memorable appearances on the television show *Seinfeld*. Now, with a striking mix of candor and self-reflection, Hernandez takes us along on his journey to baseball immortality. There are the hellacious bus rides and south-of-the-border escapades of his minor league years. His major league benchings, unending plate adjustments, and role in one of the most exciting batting races in history against Pete Rose. Indeed, from the Little League fields of Northern California to the dusty proving grounds of triple-A ball to the grand stages of Busch Stadium and beyond, I'm Keith Hernandez reveals as much about America's favorite pastime as it does about the man himself. What emerges is an honest and compelling assessment of the game's past, present, and future: a memoir that showcases one of baseball's most unique and experienced minds at his very best.

2021-03-16 Devin Gordon "This is a weird, wonderful, and essential book about both America and its pastime. It's about a place as vast as New York City and as intimate as the human heart. Fred Exley meets Richard Ben Cramer—a funny, wild, heartfelt, and keenly observed portrait of yearning itself."—Wright Thompson, New York Times bestselling author of *The Cost of These Dreams* "Mr. Gordon's ability to explain the Sisyphean plight of all Mets fans is truly remarkable. Bravo!"—Ron Darling, New York Times bestselling author of *Game 7, 1986 The Mets lose when they should win. They win when they should lose. And when it comes to being the worst, no team in sports has ever done it better than the Mets. In So Many Ways to Lose*, author and lifelong Mets fan Devin Gordon sifts through the detritus of Queens for a baseball history like no other. Remember the time the Mets lost an All-Star after Yoenis Céspedes got charged by a wild boar? Or the time they blew a six-run ninth-inning lead at the peak of a pennant race? Or the time they fired their manager before he ever managed a game? Sure you do. It was only two years ago, and it was all in the same season. The Mets have an unrivaled gift for getting it backward, doing the impossible, snatching victory from the jaws of defeat, and then snatching defeat right back again. And yet, just ask any Mets fan: Amazing and/or miraculous postseason runs are as much a part of our team's identity as losing 120 games in 1962. The DNA of seasons like 1969, the original Miracle Mets, and the 1973 "Ya Gotta Believe" Mets, who went from last place to Game 7 of the World Series in two months, and the powerhouse 1986 Mets, has encoded in us this hapless instinct that a reversal of fortune is always possible. It's happened before. It's kind of our thing. And now we've got Steve Cohen's hedge-fund billions to play with! What could go wrong? In this hilarious history of the Mets and love letter to the art of disaster, Devin Gordon presents baseball the way it really is, not in the wistful sepia tones we've come to expect from other sportswriters. Along the way, he explains the difference between being bad and being gifted at losing, and why this distinction holds the key to understanding the true amazin' magic of the New York Mets.

2021-04-27 Michelle Zauner ONE OF BARACK OBAMA'S FAVOURITE BOOKS OF 2021 From the indie rockstar Japanese Breakfast, an unflinching, powerful, deeply moving memoir about growing up mixed-race, Korean food, losing her Korean mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up the only Asian-American kid at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the east coast for college, finding work in the restaurant industry, performing gigs with her fledgling band—and meeting the man who would become her husband—her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal pancreatic cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Michelle Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, *Crying in H Mart* is a book to cherish, share, and reread. PRAISE FOR CRYING IN H MART 'Michelle Zauner's *Crying In H Mart* is as good as everyone says it is and, yes, it will have you in tears. An essential read for anybody who has lost a loved one, as well as those who haven't.' Marie-Claire 'The book's descriptions of *jjigae*, *tteokbokki*, and other Korean delicacies stand out as tokens of the deep, all-encompassing love between Zauner and her mother, a love that is charted in vivid descriptions of her mother after death; in a time when people around the world are reckoning with untold loss due to COVID-19, Zauner's frankness around death feels like an unexpected yet deeply necessary gift.' Vogue 'Zauner's writing is powerful in its straight-forwardness, though some turns of phrases are as beautiful as any song lyric... but it is her ability to convey how her mother's simple offering of a rice snack was actually an act of the truest love that leaves the most indelible impression.' Refinery 29 'Poignant . . . A tender, well-rendered, heart-wrenching account of the way food ties us to those who have passed. The author delivers mouthwatering descriptions of dishes like *pajeon*, *jjajuk*, and *gimbap*, and her storytelling is fluid, honest, and intimate . . . Zauner's ability to let us in through taste makes her book stand out—she makes us feel like we are in her mother's kitchen, singing her praises.' Kirkus Reviews (starred review)

2009-04-14 Stanley Cohen *A Magic Summer* tells of that remarkable season by chronicling the major events as viewed twenty years later. Interviews conducted twenty years after with members of the team—Seaver, Ryan, McGraw, and others—provide immediacy and, with that, fascinating updates and insights. This is a unique record and celebration of a season that Mets fans—and all baseball fans—will not soon forget. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

2021-10-05 Nick Davis *A four-color celebration of the New York Mets' iconic World Series championship*, with oral history-style text throughout and a new foreword by Jimmy Kimmel. October 2021 will mark the 35th anniversary of the 86 Mets' World Series win. ESPN will be airing a multi-part 30 for 30 documentary series on the subject, which will also be produced by ESPN Films, Jimmy Kimmel, Cousin Sal Iacono, and Major League Baseball and directed by Nick Davis. The show will feature never-before-seen footage, as well as remembrances from almost all of the key players. This tie-in book will be an oral history with new contributions from Keith Hernandez, Darryl Strawberry, Dwight Gooden, Lenny Dykstra, and many others. Also included will be unique photographs of the team and the era. A foreword by Kimmel, discussing what the Mets and their triumph means to him, will round out this fantastic package. The perfect gift for baseball fans and New Yorkers alike!

1988 Joseph Tainter *Dr Tainter* describes nearly two dozen cases of collapse and reviews more than 2000 years of explanations. He then develops a new and far-reaching theory.

2019-04-02 Ron Darling *New York Times Bestseller* This is New York Times bestselling author and Emmy-nominated broadcaster Ron Darling's 108 baseball anecdotes that connect America's game to the men who played it. In *108 Stitches*, New York Times bestselling author and Emmy Award-winning broadcaster Ron Darling offers his own take on the "six degrees of separation" game and knits together wild, wise, and wistful stories reflecting the full arc of a life in and around our national pastime. Darling has played with or reported on just about everybody who has put on a uniform since 1983, and they in turn have played with or reported on just about everybody who put on a uniform in a previous generation. Through relationships with baseball legends on and off the field, like Yale coach Smoky Joe Wood, Willie Mays, Bart Giamatti, Tom Seaver and Mickey Mantle, Darling's reminiscences reach all the way back to Babe Ruth and other early twentieth-century greats. Like the 108 stitches on a baseball, Darling's experiences are interwoven with every athlete who has ever played, every coach or manager who ever sat in a dugout, and every fan who ever played hooky from work or school to sit in the bleachers for a day game. Darling's anecdotes come together to tell the story of his time in the game, and the story of the game itself.

2009-04-21 Maya Angelou Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small

Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin

1864 Jane Austen

2021-05-18 Brett Topel Mount Rushmore, located in the Black Hills of Keystone, South Dakota, is one of the most iconic landmarks in the United States. The face of the mountain features 60-foot heads of Presidents George Washington, Thomas Jefferson, Theodore Roosevelt, and Abraham Lincoln. It depicts four of the greatest men our country has ever known. In recent years, it has become fashionable for sports fans to select the Mount Rushmore of their franchise’s history. For some franchise’s, which have been around for 100+ years, it can be a daunting task. Even for younger franchises, such as the New York Mets, picking a Mount Rushmore can be a challenge. Mostly because fans always seem to favor players that they have seen play—leading older and younger fans to differ on who belongs carved on that fictional mountain in Queens. In 2015, Major League Baseball announced its decision for each team’s Mount Rushmore. For the Mets, voters chose Keith Hernandez, Mike Piazza, Tom Seaver, and David Wright. No one would argue that Tom Seaver is on the franchise’s Mount Rushmore. He was, after all, “The Franchise.” Some might even argue that the Mets’ Mount Rushmore is Tom Seaver four times! However, that notwithstanding, when it comes to rounding out the other three players, did MLB get it right?? Thankfully, Mount Rushmore of the New York Mets tackles such a question. Covering the team by decade, author Brett Topel share the best players from the team’s almost sixty-year history. From Jerry Koosman and Ed Kranepool, Dwight Gooden and Darryl Strawberry, to Edgardo Alfonzo and Jose Reyes, each decade is covered, reliving the highs and lows of the Metropolitans. So whether you remember the Miracle Mets, the Amazin’ run of 1986, or the almost of the 2000s, Mount Rushmore of the New York Mets breaks down the fan favorites who earned their prominence in the Polo Grounds, Shea Stadium, and Citi Field.

1983 Marshall Berman The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

2010 Anne Frank "In these tales the reader can observe Anne's writing prowess grow from that of a young girl's into the observations of a perceptive, edgy, witty and compassionate woman"--Jacket flaps.

2005-04-11 Kate Fox In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

2020-12-12 Dion Fortune A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century. This Weiser Classics edition of Dion Fortune’s *Psychic Self-Defense* includes a new forward by Mary K. Greer, author of numerous books including *Tarot for Your Self*, and a new afterword by Christian Gilson that chronicles the original context surrounding Dion Fortune’s writing of the book. Mr. Gibson is the editor of *The Inner Light*, the journal published by the Society of Inner Light.

2014-01-07 Jentezen Franklin A guide to biblical fasting discusses how to choose a fast, the connection between fasting and prayer, the essential components of a successful fast, and what to expect mentally, physically, and spiritually.

2017-05-02 Robert M. Sapolsky Why do we do the things we do? Over a decade in the making, this game-changing book is Robert Sapolsky's genre-shattering attempt to answer that question as fully as perhaps only he could, looking at it from every angle. Sapolsky's storytelling concept is delightful but it also has a powerful intrinsic logic: he starts by looking at the factors that bear on a person's reaction in the precise moment a behavior occurs, and then hops back in time from there, in stages, ultimately ending up at the deep history of our species and its genetic inheritance. And so the first category of explanation is the neurobiological one. What goes on in a person's brain a second before the behavior happens? Then he pulls out to a slightly larger field of vision, a little earlier in time: What sight, sound, or smell triggers the nervous system to produce that behavior? And then, what hormones act hours to days earlier to change how responsive that individual is to the stimuli which trigger the nervous system? By now, he has increased our field of vision so that we are thinking about neurobiology and the sensory world of our environment and endocrinology in trying to explain what happened. Sapolsky keeps going--next to what features of the environment affected that person's brain, and then back to the childhood of the individual, and then to their genetic makeup. Finally, he expands the view to encompass factors larger than that one individual. How culture has shaped that individual's group, what ecological factors helped shape that culture, and on and on, back to evolutionary factors thousands and even millions of years old. The result is one of the most dazzling tours de horizon of the science of human behavior ever attempted, a majestic synthesis that harvests cutting-edge research across a range of disciplines to provide a subtle and nuanced perspective on why we ultimately do the things we do...for good and for ill. Sapolsky builds on this understanding to wrestle with some of our deepest and thorniest questions relating to tribalism and xenophobia, hierarchy and competition, morality and free will, and war and peace. Wise, humane, often very funny, *Behave* is a towering achievement, powerfully humanizing, and downright heroic in its own right.

2001-05-31 C. L. R. James In 1789 the West Indian colony of San Domingo supplied two-thirds of the overseas trade of France. The entire structure of what was arguably the most profitable colony in the world rested on the labour of half a million slaves. In 1791 the waves of unrest inspired by the French Revolution reached across the Atlantic dividing the loyalties of the white population of the island. The brutally treated slaves of Saint Domingo seized at this confusion and rose up in rebellion against masters. In this classic work, CLR James chronicles the only successful slave revolt in history and provides a critical portrait of their leader, Toussaint L'Ouverture, 'one of the most remarkable men of a period rich in remarkable men'.

2016-04-05 Ron Darling New York Times Bestseller Every little kid who's ever taken the mound in Little League dreams of someday getting the ball for Game Seven of the World Series. Ron Darling got to live that dream - only it didn't go exactly as planned. In New York Times bestselling *Game 7*, 1986, the award-winning baseball analyst looks back at what might have been a signature moment in his career, and reflects on the ways professional athletes must sometimes shoulder a personal disappointment as his team finds a way to win. Published to coincide with the 30th anniversary of the 1986 New York Mets championship season, Darling's book will break down one of baseball's great "forgotten" games - a game that stands as a thrilling, telling and tantalizing exclamation point to one of the best-remember seasons in Major League Baseball history. Working once again with New York Times best-selling collaborator Daniel Paisner, who teamed with the former All-Star pitcher on his acclaimed 2009 memoir *Game 7*, 1986, Darling offers a book for the thinking baseball fan, a chance to reflect on what it means to compete at the game's highest level, with everything on the line.

2019-10-29 Jeremy Bangs Bangs overturns stereotypes with exciting new analyses of colonial and Native life in Plymouth Colony, of religious toleration, and of historical memory.

2006-09-12 Max Brooks #1 NEW YORK TIMES BESTSELLER • “Prepare to be entranced by this addictively readable oral history of the great war between humans and zombies.”—Entertainment Weekly We survived the zombie apocalypse, but how many of us are still haunted by that terrible time? We have (temporarily?) defeated the living dead, but at what cost? Told in the haunting and riveting voices of the men and women who witnessed the horror firsthand, World War Z is the only record of the pandemic. The Zombie War came unthinkably close to eradicating humanity. Max Brooks, driven by the urgency of preserving the acid-etched first-hand experiences of the survivors, traveled across the United States of America and throughout the world, from decimated cities that once teemed with upwards of thirty million souls to the most remote and inhospitable areas of the planet. He recorded the testimony of men, women, and sometimes children who came face-to-face with the living, or at least the undead, hell of that dreadful time. World War Z is the result. Never before have we had access to a document that so powerfully conveys the depth of fear and horror, and also the ineradicable spirit of resistance, that gripped human society through the plague years. THE INSPIRATION FOR THE MAJOR MOTION PICTURE “Will spook you for real.”—The New York Times Book Review “Possesses more creativity and zip than entire crates of other new fiction titles. Think Mad Max meets The Hot Zone. . . . It’s Apocalypse Now, pandemic-style. Creepy but fascinating.”—USA Today “Will grab you as tightly as a dead man’s fist. A.”—Entertainment Weekly, EW Pick “Probably the most topical and literate scare since Orson Welles’s War of the Worlds radio broadcast . . . This is action-packed social-political satire with a global view.”—Dallas Morning News

2008-07-02 Martin M. Antony There's nothing wrong with being shy. But if social anxiety keeps you from forming relationships with others, advancing in your education or your career, or carrying on with everyday activities, you may need to confront your fears to live an enjoyable, satisfying life. This new edition of The Shyness and Social Anxiety Workbook offers a comprehensive program to help you do just that. As you complete the activities in this workbook, you'll learn to: •Find your strengths and weaknesses with a self-evaluation •Explore and examine your fears •Create a personalized plan for change •Put your plan into action through gentle and gradual exposure to social situations Information about therapy, medications, and other resources is also included. After completing this program, you'll be well-equipped to make connections with the people around you. Soon, you'll be on your way to enjoying all the benefits of being actively involved in the social world. This book has been awarded The Association for Behavioral and Cognitive Therapies Self-Help Seal of Merit — an award bestowed on outstanding self-help books that are consistent with cognitive behavioral therapy (CBT) principles and that incorporate scientifically tested strategies for overcoming mental health difficulties. Used alone or in conjunction with therapy, our books offer powerful tools readers can use to jump-start changes in their lives.

2008-06-10 George Lundskow With an emphasis on detailed and truly contemporary case studies, Lundskow offers a provocative and compelling exploration of the Sociology of Religion.

2011-01-01 Janette Oke Julia has everything money can buy...except for acceptance by either the Gentiles or the Jews. Her Greek father already has a wife and family, leaving Julia and her Hebrew mother second-class citizens. But when they are introduced to followers of the Way, they become part of that community of believers. Abigail's brother, Jacob, now a young man, is attempting to discover his own place as a Christian. He is concerned that being more serious about his faith means trading away the exhilaration of his current profession as a caravan guard. Hired by Julia's father to protect the wealthy merchant's caravans on the secretive "Frankincense Trail"--undercover transport of this highly valuable commodity--Jacob also passes letters and messages between various communities of believers. He is alarmed to find out that Julia, hardly more than a girl, is also a messenger. Can their immediate mistrust be put aside to finally bring their hearts together?
